ECHO
1973

ENFIELD HIGH SCHOOL

Enfield, Connecticut

The long procession of flowing green togas slowly files into place. The watchful eyes of parents and friends glisten proudly as they view the scene. And then three hundred and sixty seven diplomas are received into deserving hands.

Suddenly it was over. Three long years together are finally brought to an end. They become memories of friends and places, of learning and growing up. In this short length of time we have learned what it takes to become capable of living with ourselves and our fellow men. With graduation comes the reality that we must become involved.

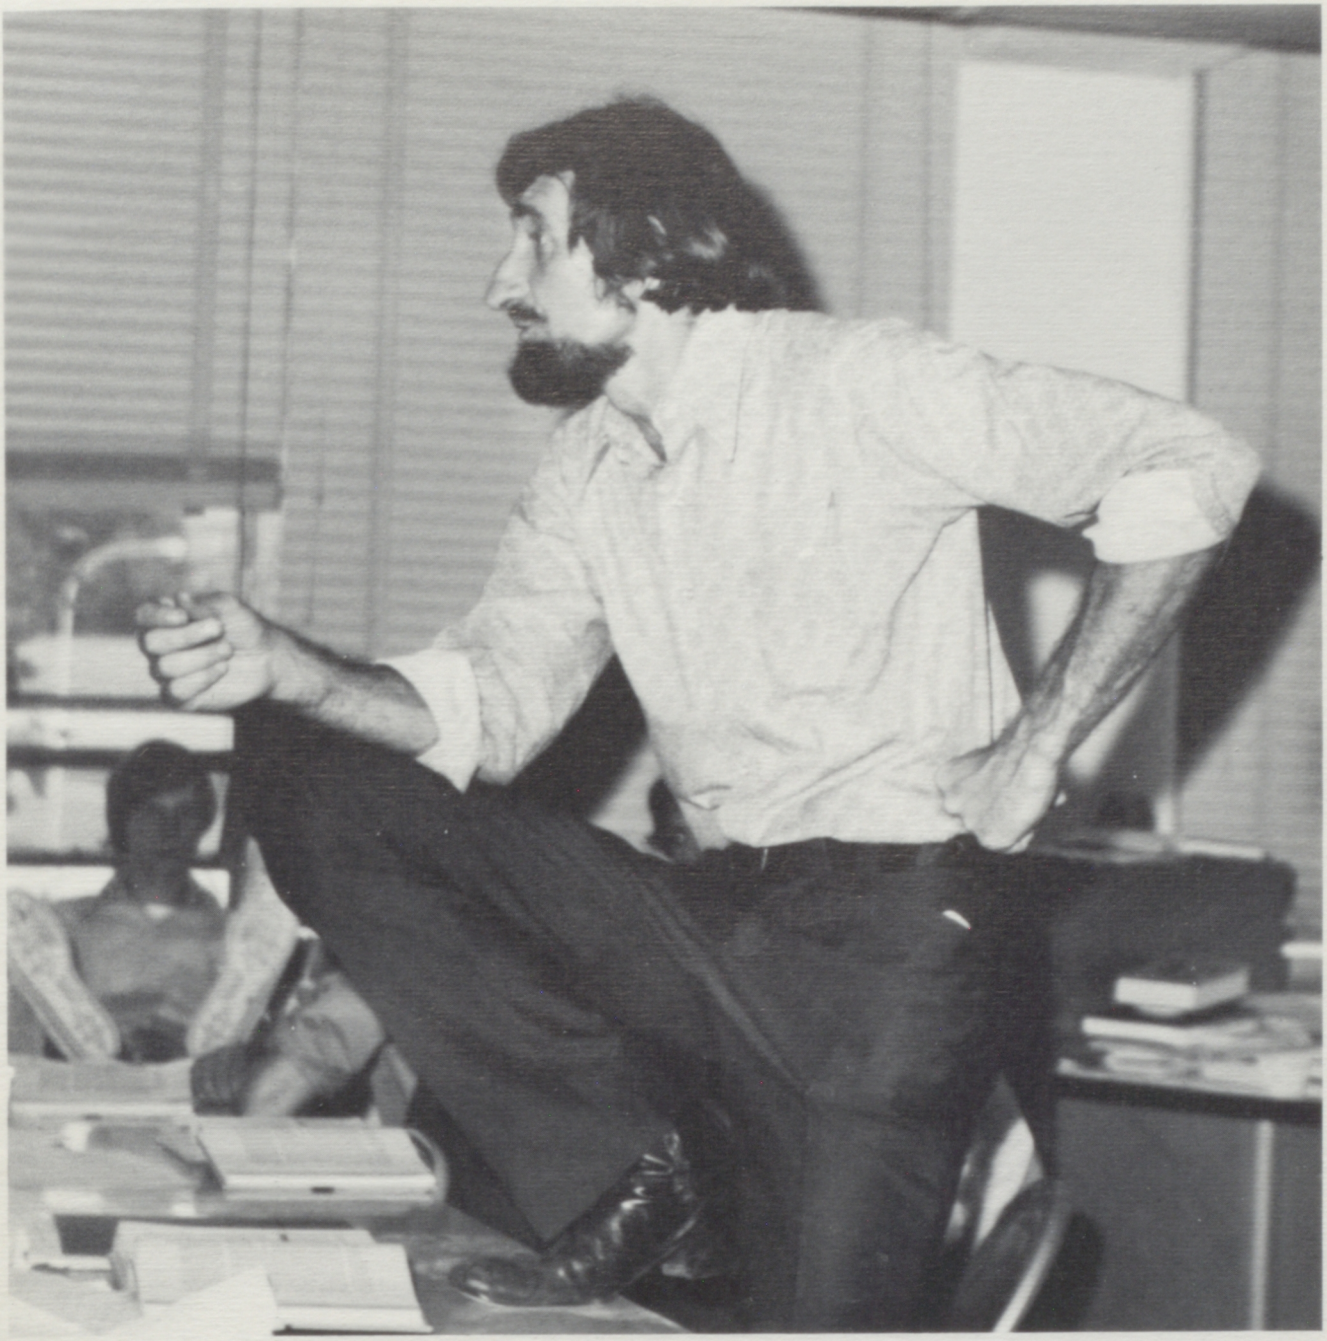

Nineteen hundred and seventy-three marks the opening of our generation into the world. We stand at the threshold of our future, anticipating our adult lives. It's our turn to work, to help make this world we live in a little better. It is time for us to bring people together and work for a world peace. It's our job to free the world of its apathy, its prejudice and its hatred. Our responsibility lies in our duty to the future generations.

We are now aware that to become involved means to seek life's meaning. To become aware of it so that we may extend ourselves to those around us.

Now is the time to live. It is a precious gift meant to be shared with others.

—Chery Stankiewicz

Now is the time, perhaps long over-due, for people and things to take on a proper perspective through the eyes of the Class of 1973. Reflecting on years spent among red bricks, grey desks, and the cold echo of locker doors slamming, we recall all our friends who helped mellow the times and worked at our sides for the common goal of understanding the individuality of all men.

Before the Class of 1973 even saw the doors of Enfield High, a unique man was working for the betterment of all those he came in contact with—regardless of their label as "teachers" or "students." To many people, Frank Gawle, educator, has shown no inhibitions in also revealing artistic virtues. Through his many "rap sessions," group involvement, and everyday manner, he illustrates an element needed for the basic survival of man: a sincere compassion and respect for his brothers.

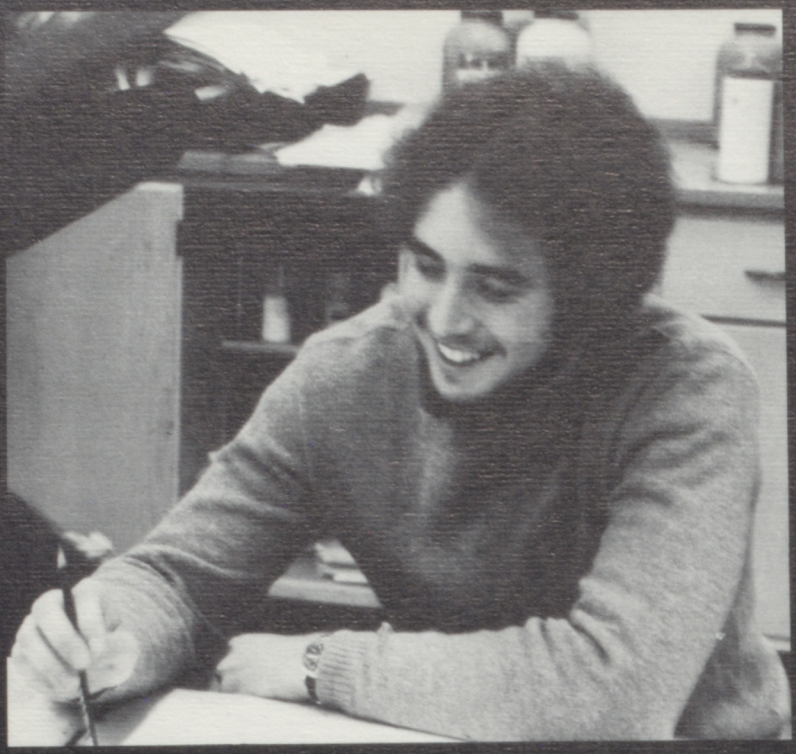

We, of the Class of 1973, choose now to express a feeling of gratitude to Mr. Gawle, and join him in awaiting the dawn of the day when men cry only tears of joy, and the fear of misunderstanding between peoples dissipates.

Now is the time. . .
. . . to laugh,
a rising tide, momentarily gathering for the onrush, a quick
smile, then laughter like a rushing tide. . . then receding,
left along the beach the remnants of one carefree moment.

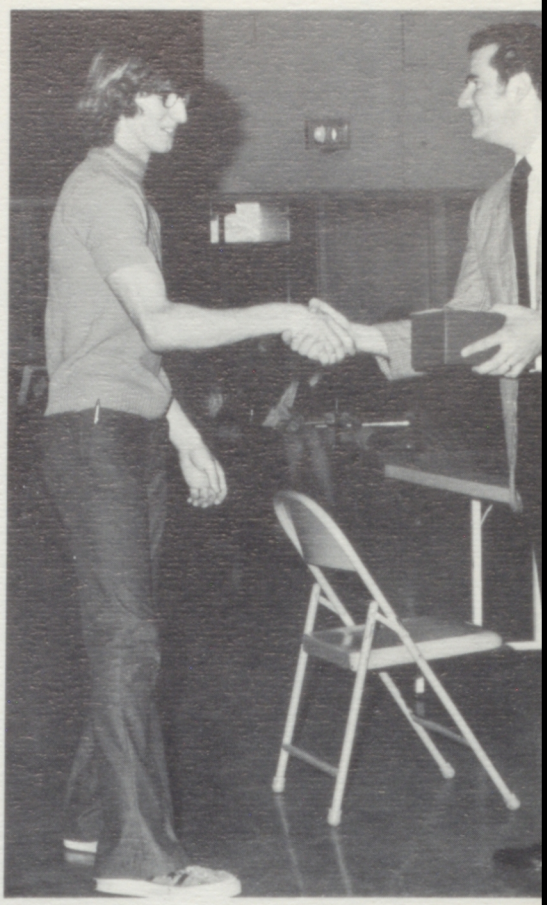

—Bonnie Corbin

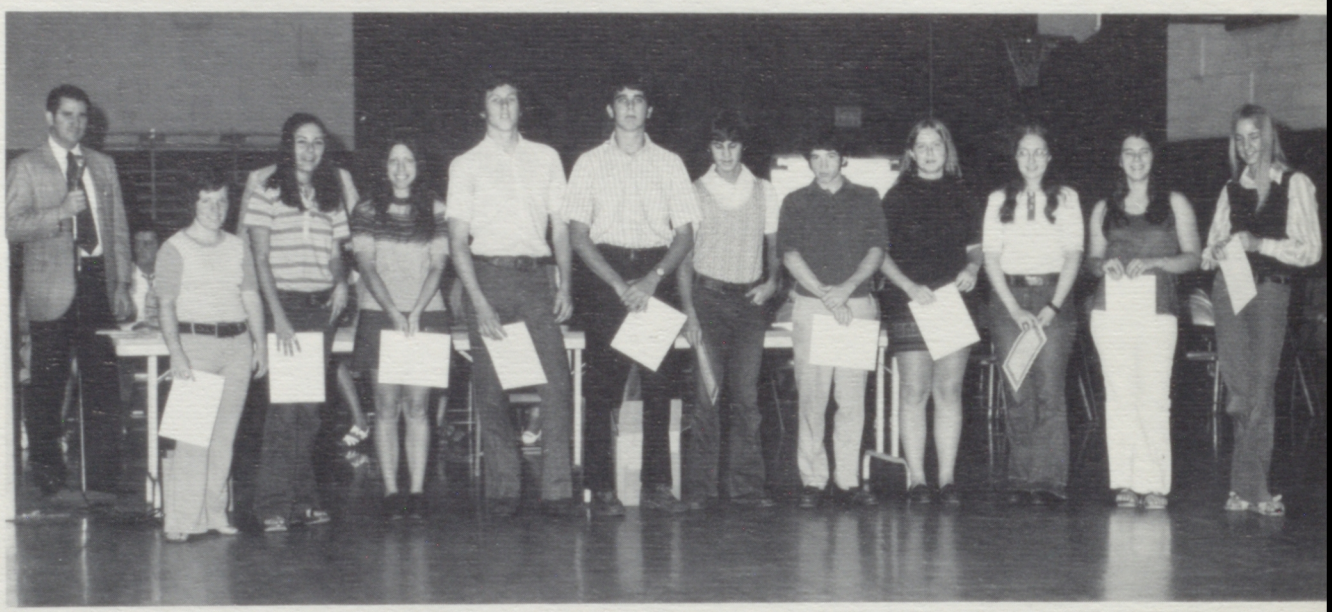

. . . to cry,
. . . when all your grief is spent, and the tears are to be seen no more.

—Maria E. Bennett

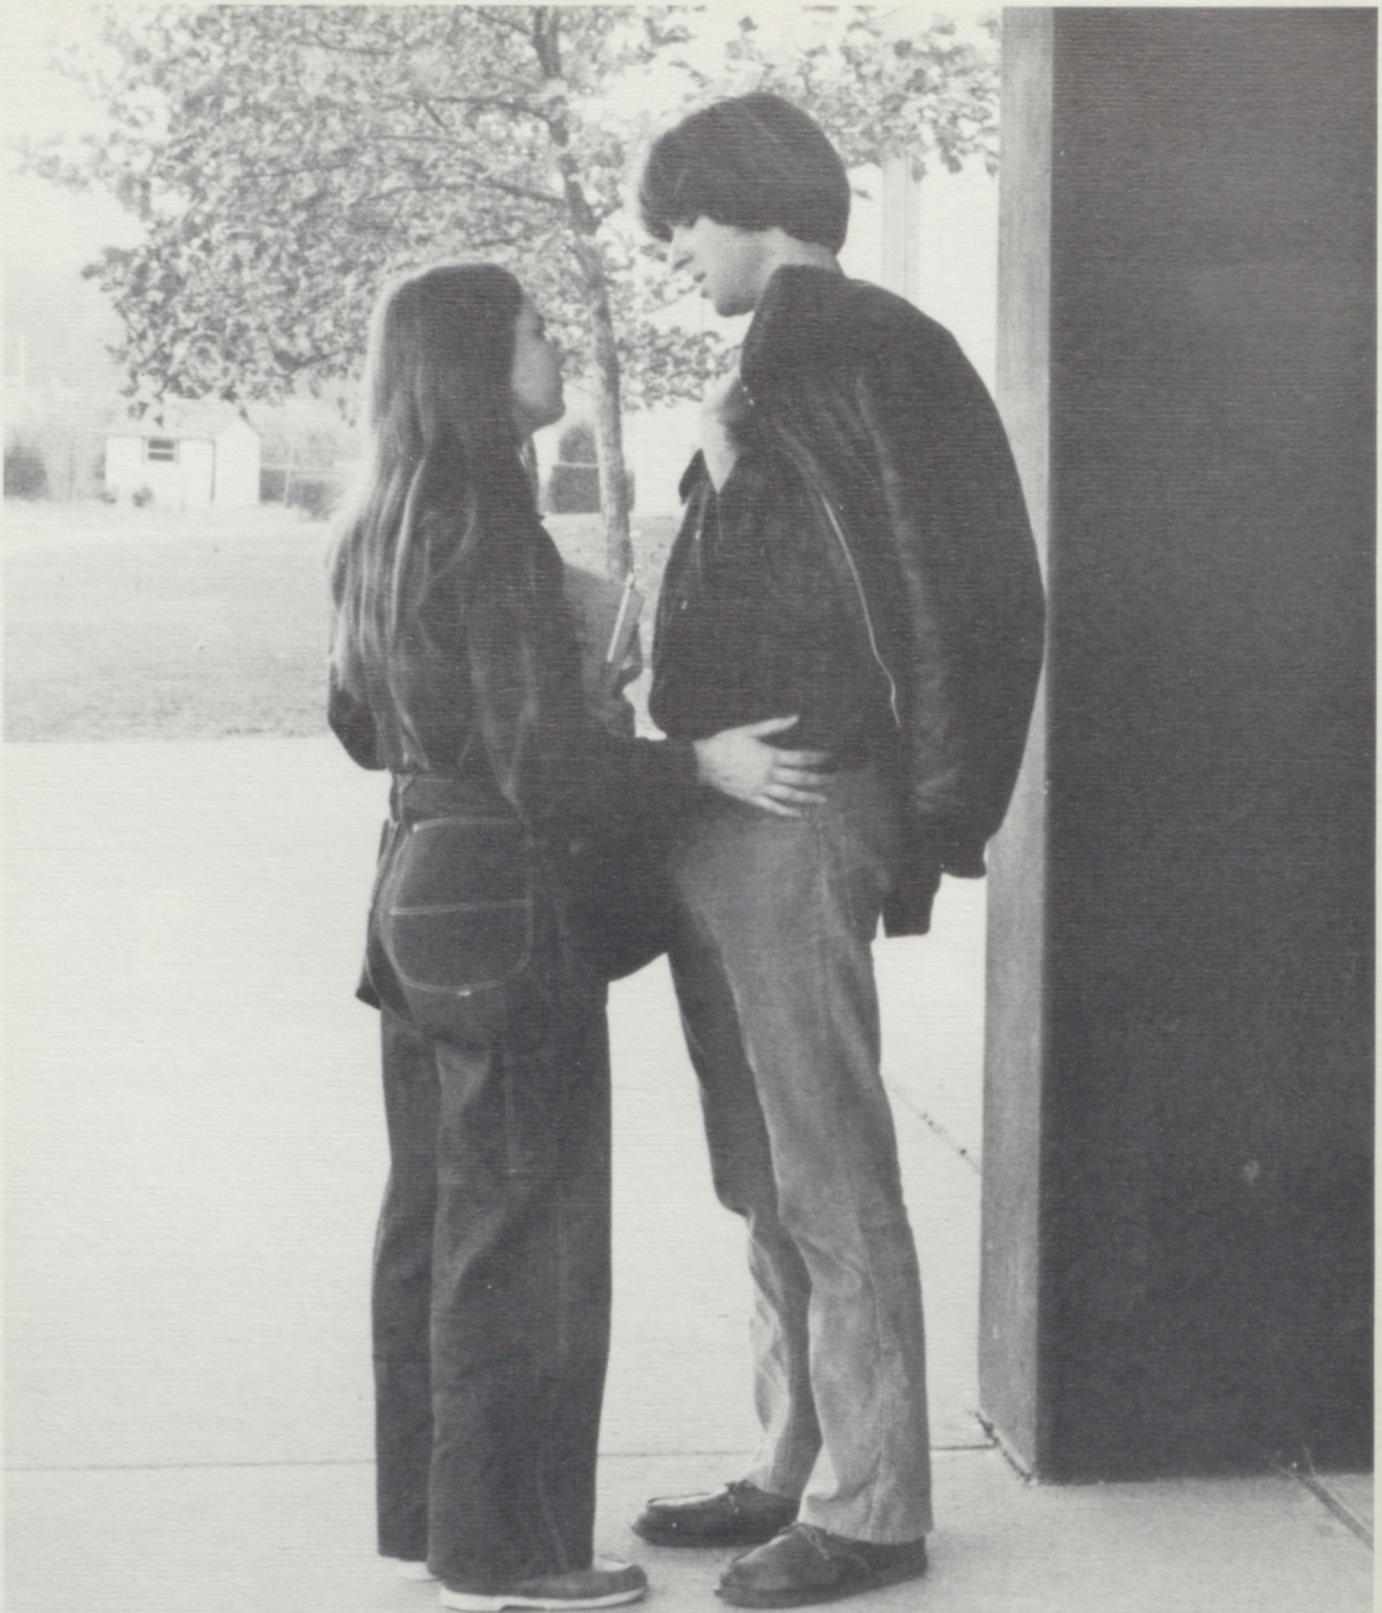

. . . to achieve,
by reaching out beyond ourselves, we exceed those which were once our limitations.

—Marianne Morris

. . . to be disappointed,
when I was younger, I learned that when one trips and falls, his life need not end.

—Nancy Beauregard

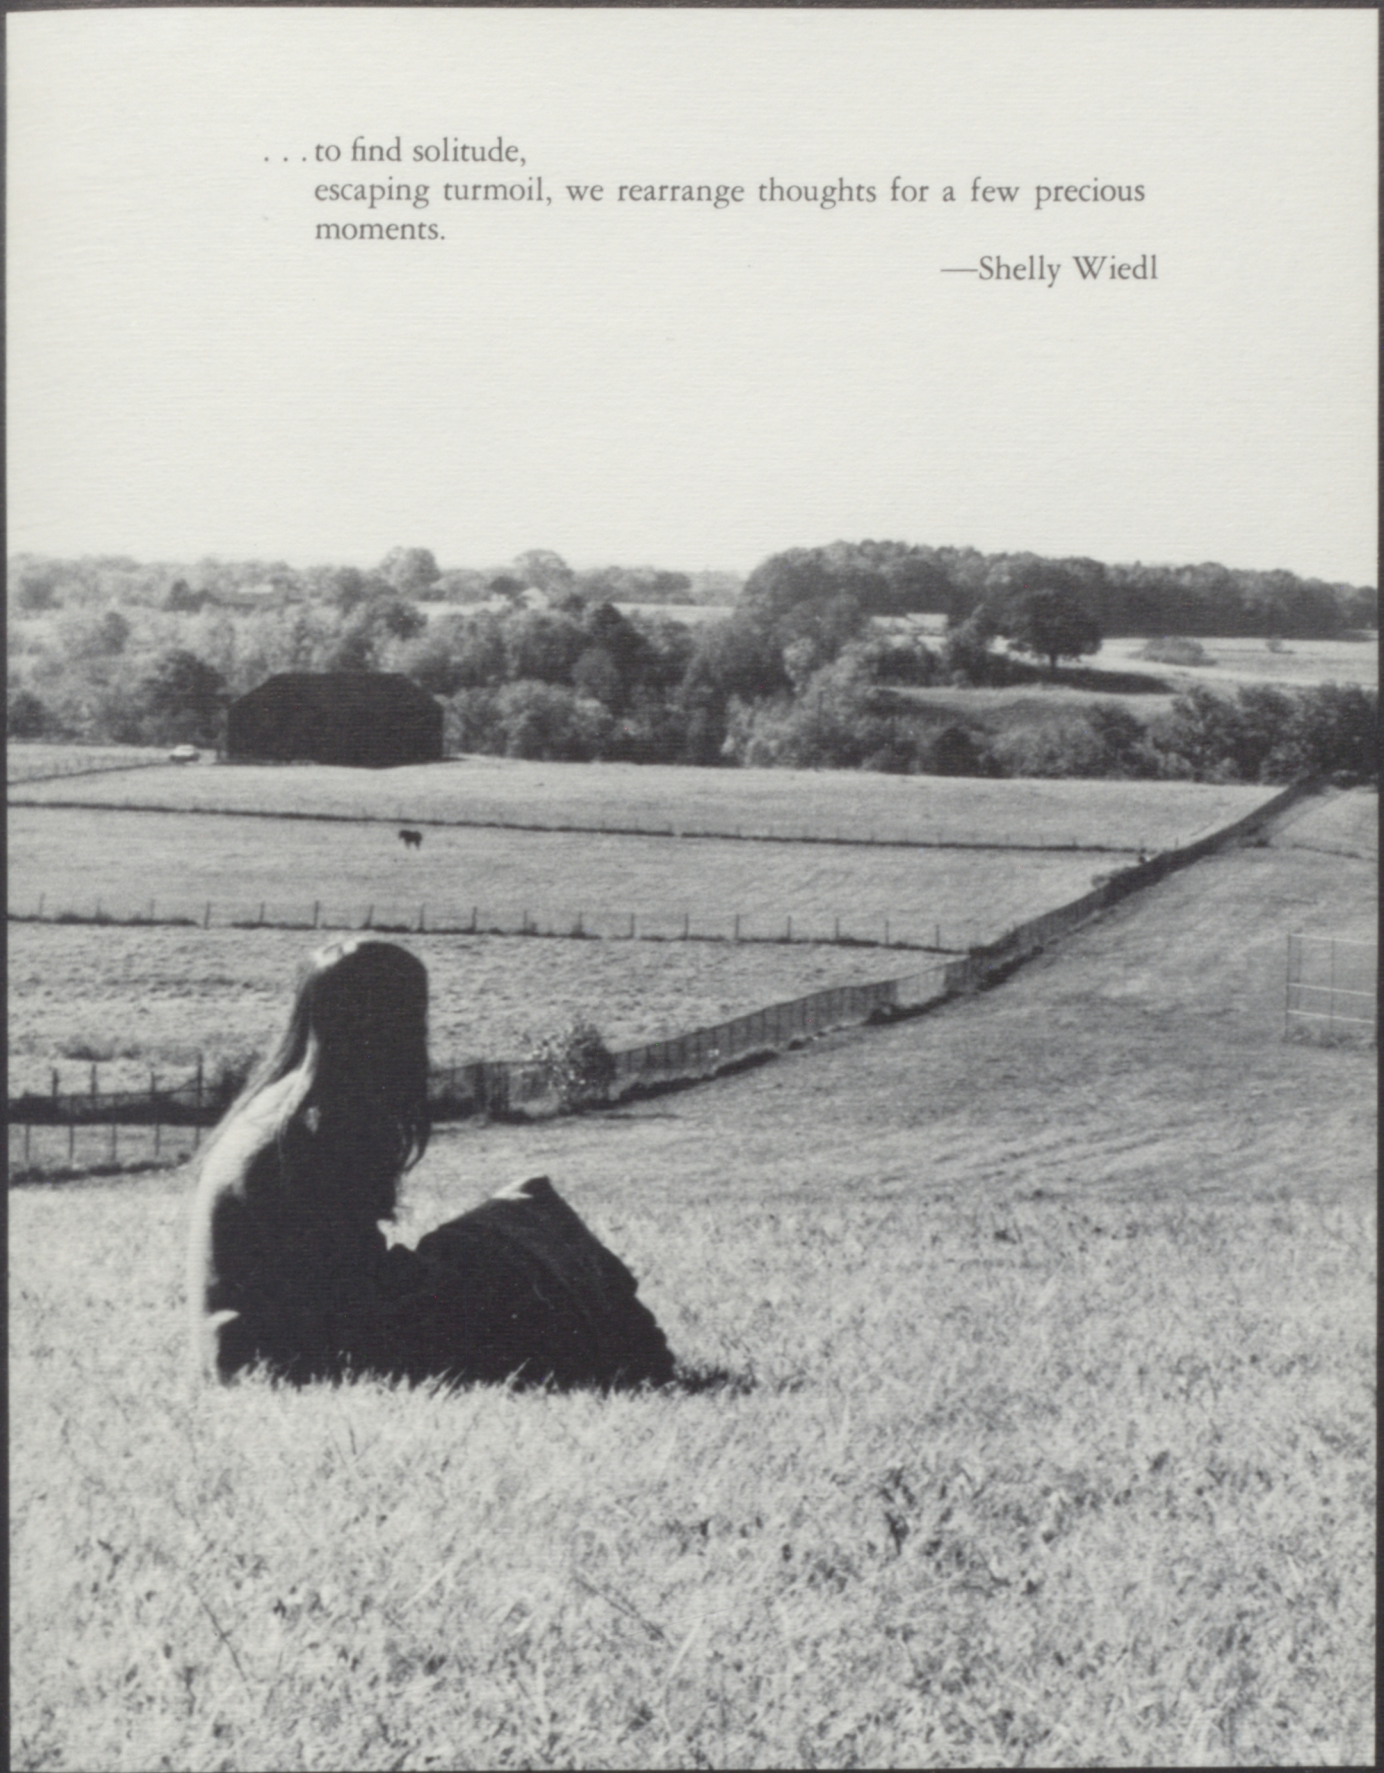

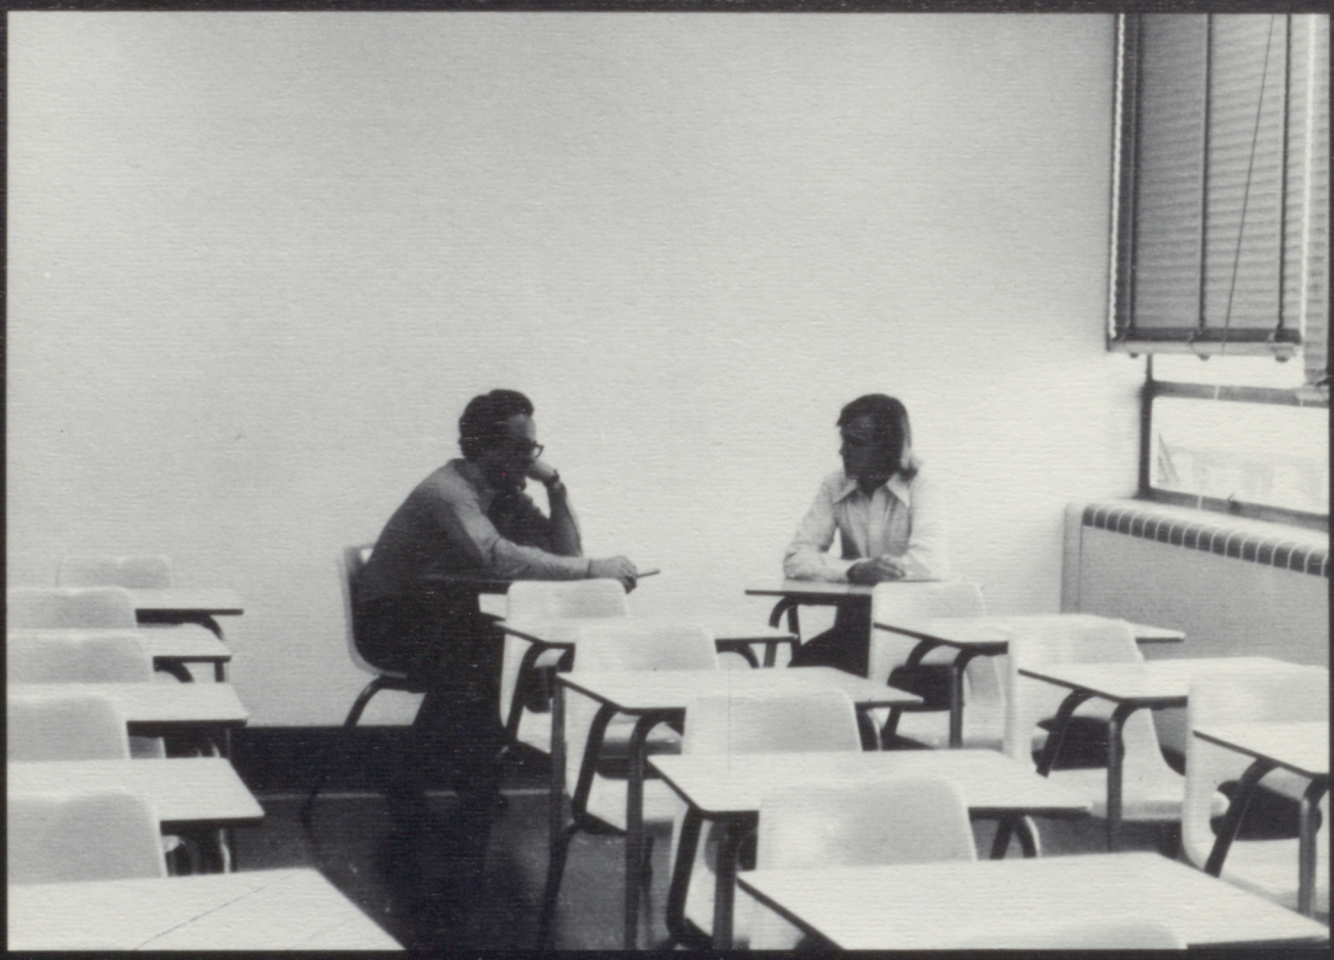

. . . to join together,
we won't make it any other way.
—Gerald Grzebien

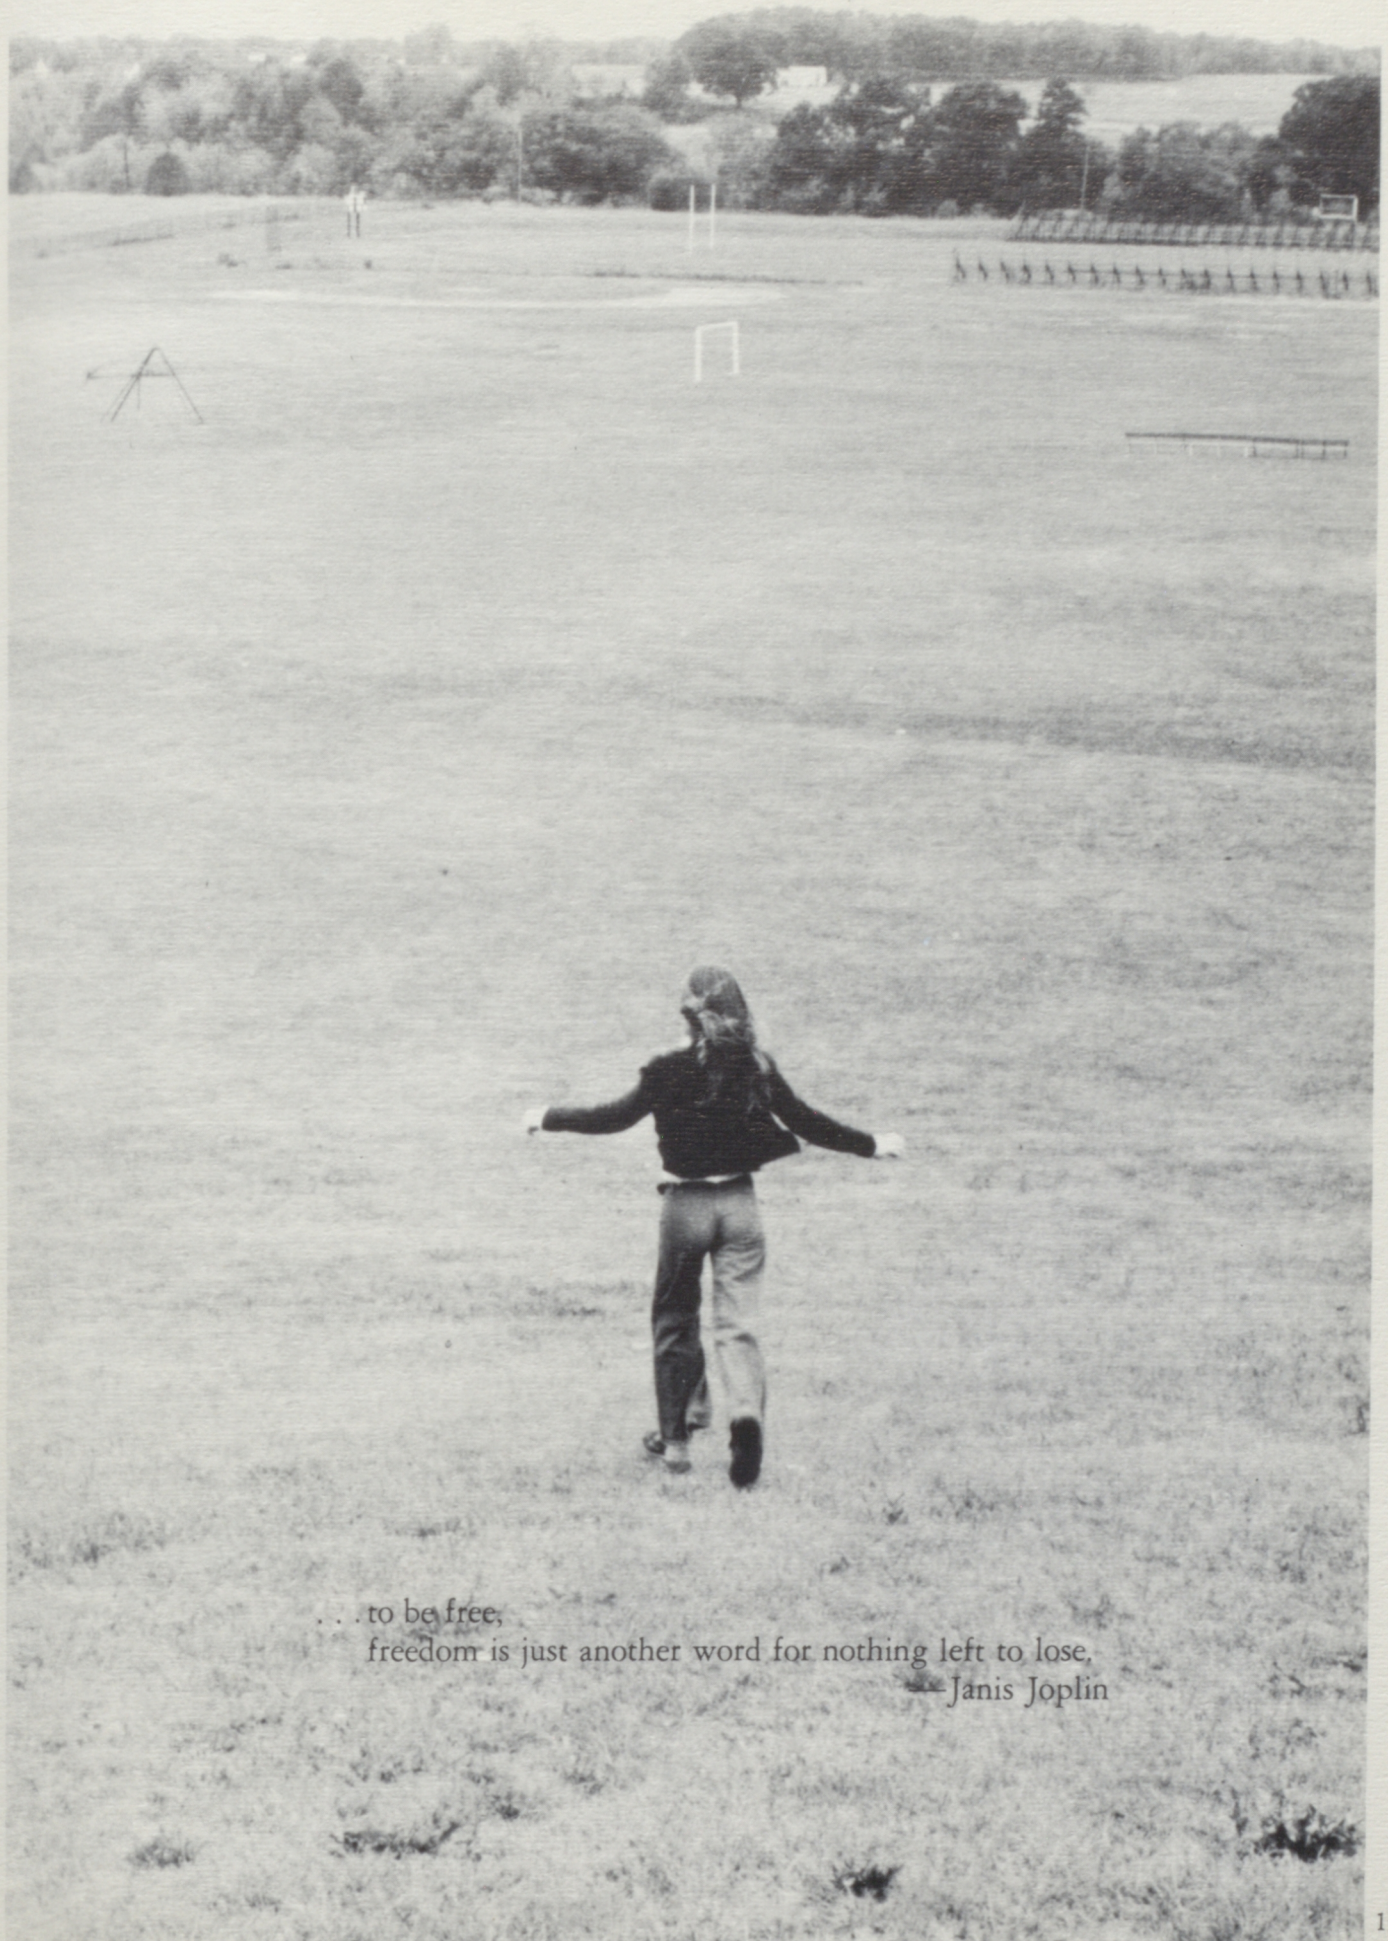

. . . to find solitude,
escaping turmoil, we rearrange thoughts for a few precious moments.

—Shelly Wiedl

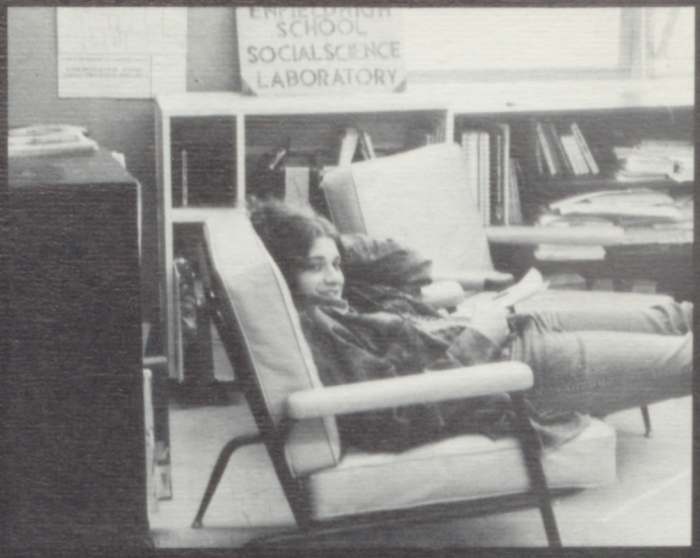

. . . to seek guidance,
now and tomorrow teach others, as knowledge passed on.
—Suzanne Gracewski

. . . to be free,
freedom is just another word for nothing left to lose.
—Janis Joplin

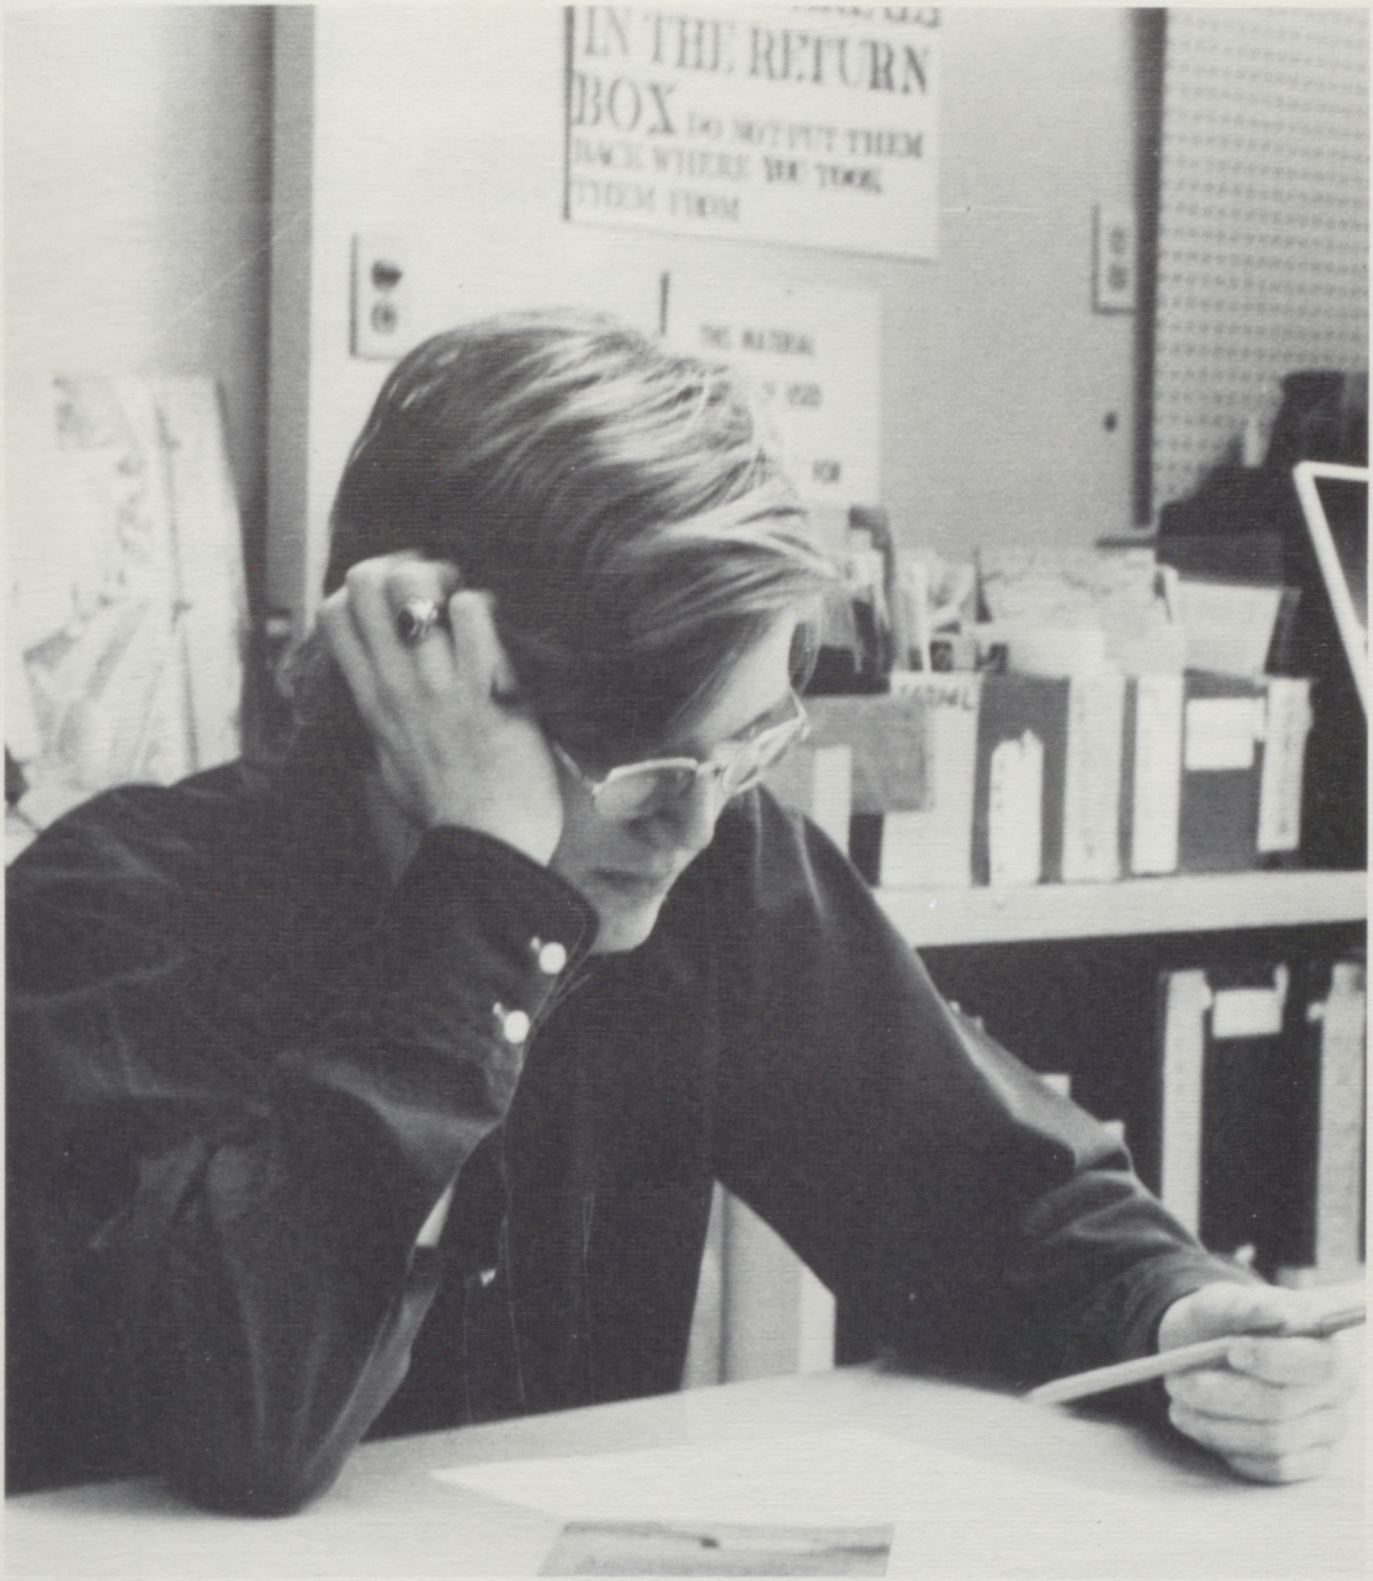

. . . to stop

. . . and think

. . . about where we've been

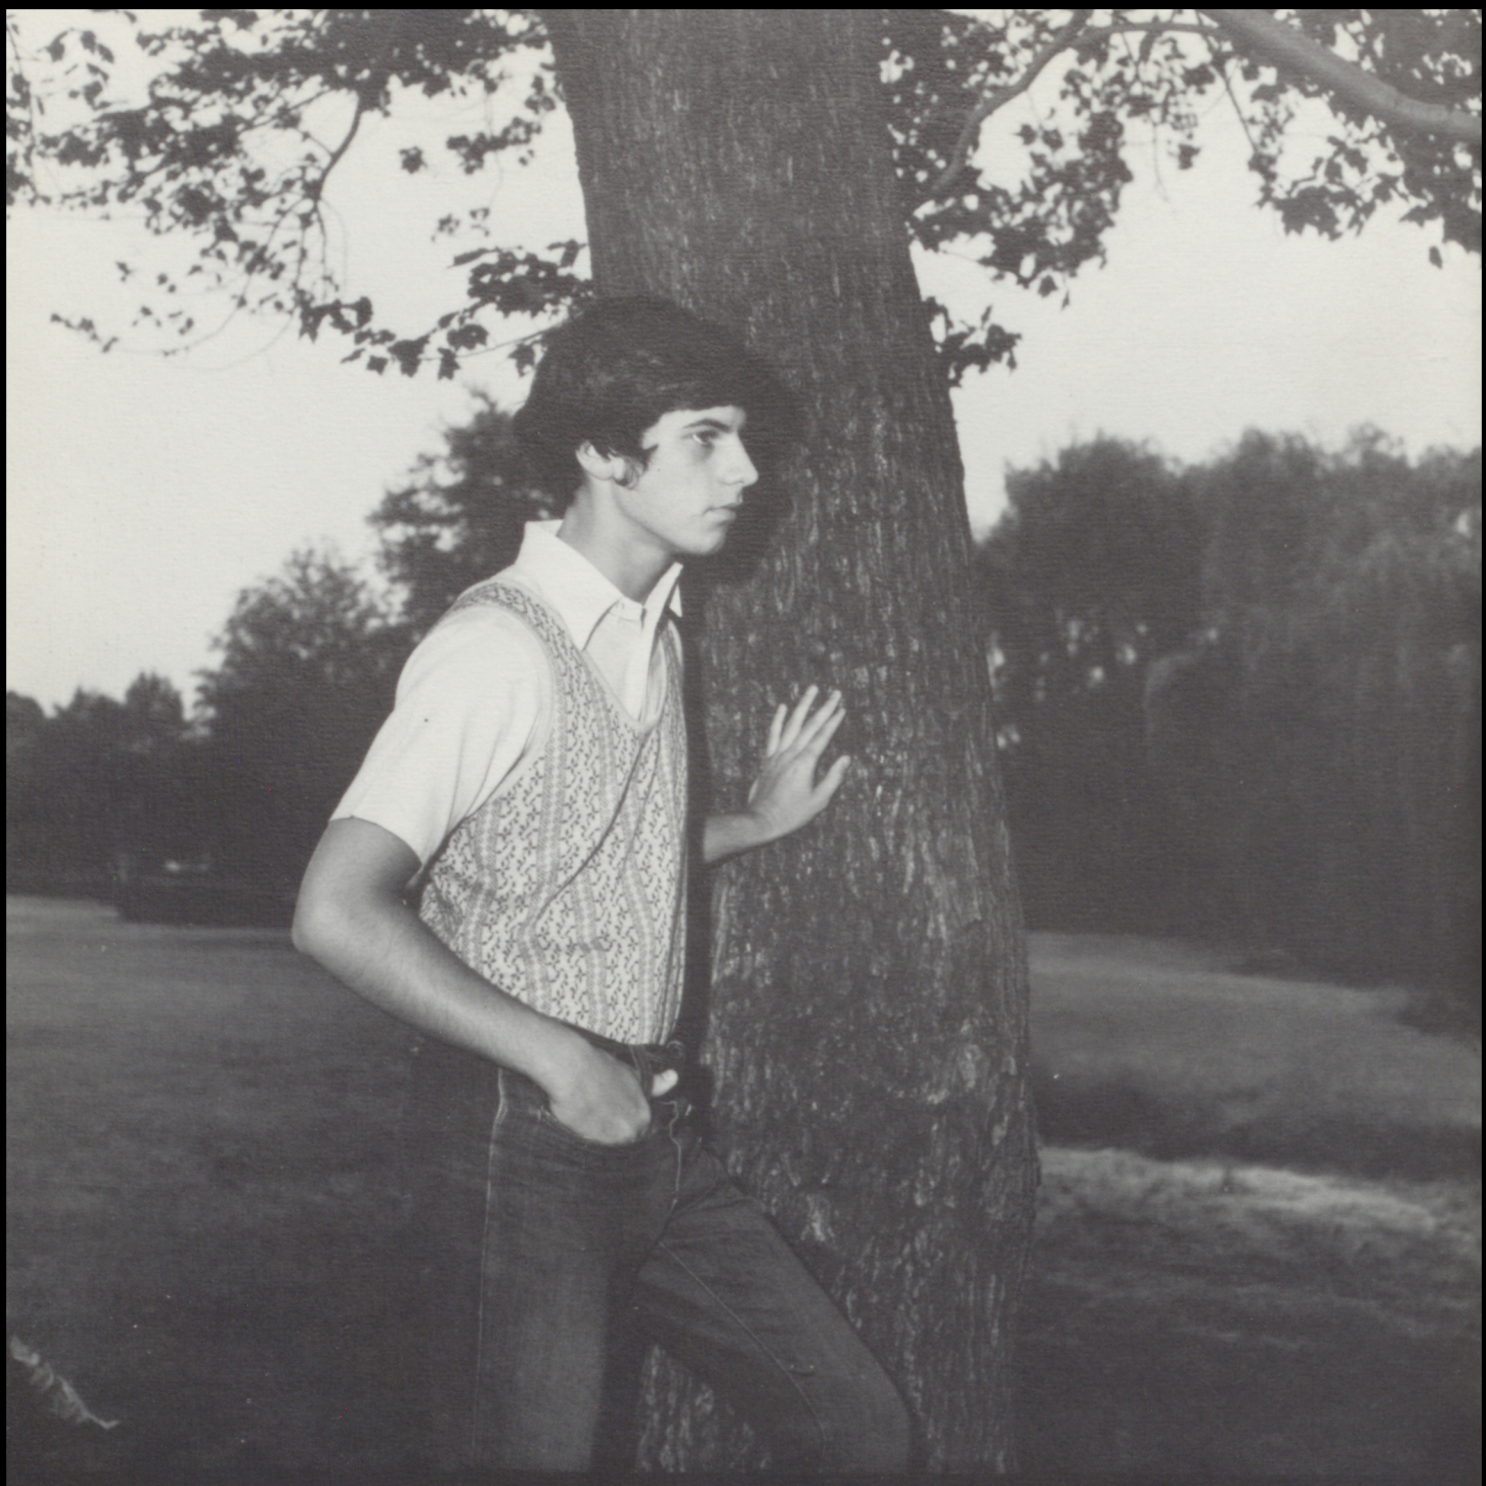

. . . and where we're going.

Seniors

Our stay at Enfield High School has rapidly come to a close, and the time has come for us to go our separate ways. We have shared three unforgettable years, living and laughing together. For most of us they will be the happiest years of our lives.

The road is going to be a little steeper now, and the sun will not always shine. But as time passes, let us not forget the good times we have had, for time can not take away memories. May the friendships we have made grow stronger over the years, for friendship is too great a gift to lose.

As we bid each other farewell, let us not look back in sadness, but with a feeling of joy. We have come to the end of a very meaningful experience, which, in reality, is merely a beginning.

Gazing into the future with faith in our hearts, we embark on life's long journey. May God keep us always in the palm of His hand.

GUIDANCE DEPARTMENT

The Guidance Department has three counselors: Miss Perdrizet, Mr. Hellstein and Mr. ZuZel. With mini-courses in our programs there is a greater need than ever for counseling because of the increase in choices. With a seven period day, some students are taking extra subjects and these, again call for decisions. The counselors are not only working with our present school population, but also with past graduates. Their services are available from before school in the morning until beyond school hours in the afternoon and they are also working one week after school terminates and one week prior to school opening for consultation and program changes.

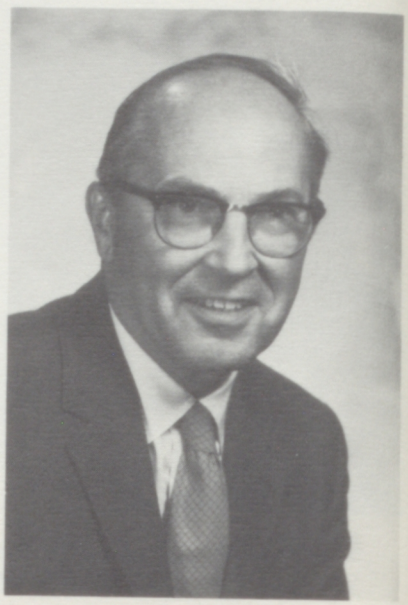

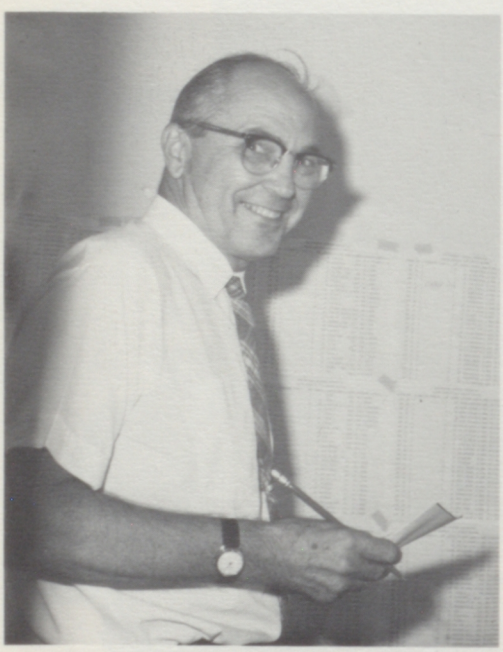

Mr. Richard Hellstein

"Don't cry Mr. Hellstein, I'll find your schedule."

Mr. Stanley ZuZel

Mrs. Charlotte Gracewski

LIBRARY

The Library collection contains books, periodicals and pamphlets on all the school subjects from automobile mechanics to English drama.

The reading interests of young people are reflected in the great number of paperbacks and the many books on current social problems.

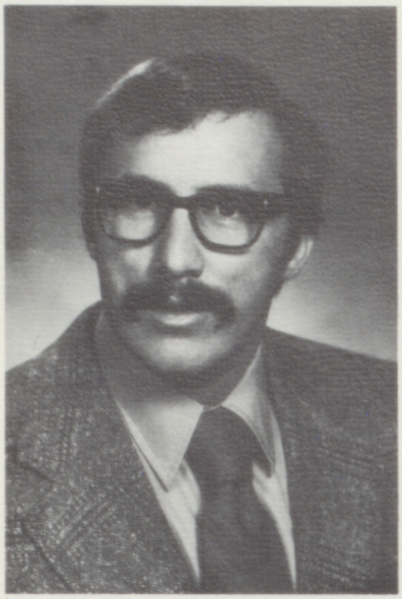

Audio-visual materials, such as phonograph records, tapes and filmstrips, supplement the printed collection to make the library a true "learning center".

Mrs. Mary Barnes

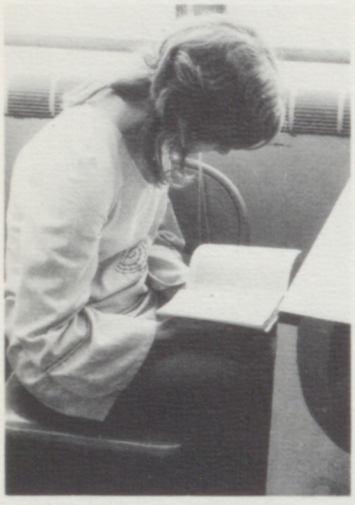

"I think we need another file cabinet."

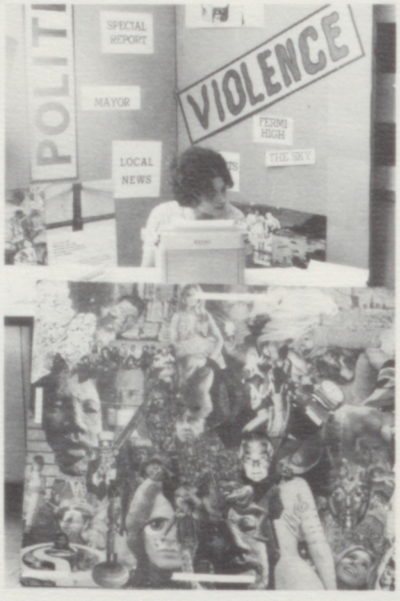

Mr. Dennis Corso

SOCIAL STUDIES LAB

The basic philosophy of the Lab is for learning to come alive through the hands of the students. This is a place of innovative learning. The students in the Lab learn to work with teachers; they share ideas and help each other with various projects. Students in the Lab also teach teachers and other students to use photographic equipment, tape recorders, and all types of technical aides. Working in the Social Studies Lab is a real learning experience.

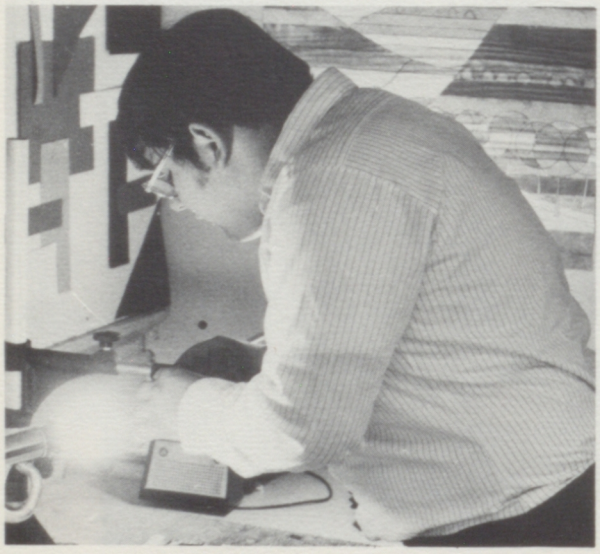

"I've always wondered about these kind of things."

SOCIAL SCIENCE DEPARTMENT

The 1972-1973 school year was one of continual attempts to provide avenues for self-realization and self-fulfillment for students in Social Science classes. The curriculum of the past two years has been designed to provide choices for students taking the Social Science classes. It is hopeful that their choices increase the possibility for all students to make some meaningful contact with society and its problems.

"I'm not a librarian, but I do know these aren't in alphabetical order."

Mr. Frank Gawle

Mrs. Patricia Bigos

ENGLISH DEPARTMENT

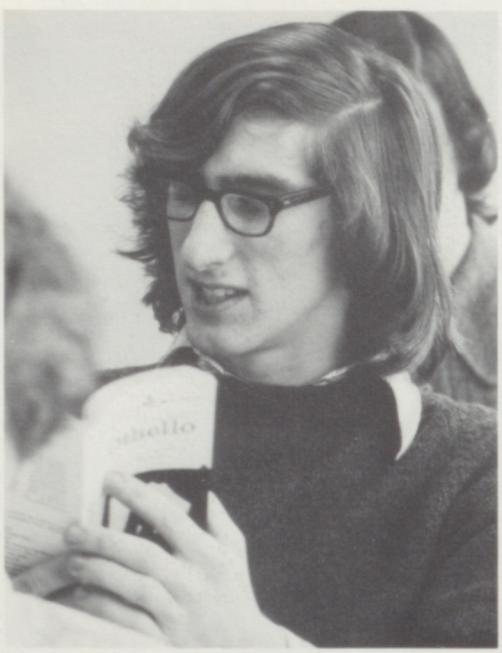

The English Department has been actively involved in evaluating its new quarter credit program throughout the 1972-73 school year. As always, student interests and needs are foremost on the minds of the faculty and all changes will be made in response to these criteria.

As with all new programs, our curriculum will necessitate constant scrutiny on the part of teachers and students. Through mutual involvement we hope to create a dynamic program which will meet the interests of increasing numbers of Enfield's student body.

The nature of education demands consistency in curriculum revision and evaluation. Our goal is to establish a program which will encourage and assist every student to develop his total personality.

SCIENCE DEPARTMENT

Scientific knowledge is increasingly important to all of us today. In recognition of this, the Science Department has increased electives this past year to include Genetics, and Advanced Chemistry, in addition to Advanced Biology, Astronomy, Biology, Anatomy and Physiology, Ecology, Chemistry, Physics and Physical Science. Increased emphasis has been placed on laboratory centered science courses. Independent study is offered to interested and capable students.

FOREIGN LANGUAGE

The Foreign Language Department at Enfield High has continually encouraged students to study a foreign language not only to expand their knowledge of other cultures but also to improve their potential in the world of work.

French, German and Spanish are taught in an approach that is audio-visual with emphasis on the sounds and grammar patterns of the spoken language. Latin, also viewed as an integral part of modern life, is presented in a dynamic manner with audio-visual materials that help the student develop a better cultural understanding of classical antiquity and its implications in the present.

DEPARTMENT OF FAMILY LIVING AND CONSUMER EDUCATION

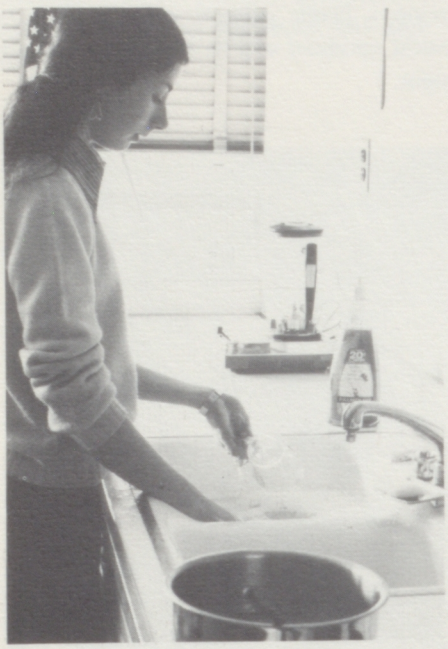

This year has been one of growth for the Department of Family Living and Consumer Education. Greater numbers of students are finding the courses offered to be a vital part of their high school programs, and many boys are now making contributions in all areas.

In addition to enrollment increases in the areas of clothing and food, interior design, consumer education, and the Child Development and Human Relations courses have proved to be of special interest to students. The implementation of the nursery school laboratory has made the Child Development program more attractive. The course provides a valuable experience in preparing for parenthood and for vocational opportunities. The Human Relations course helps students to analyze and clarify personal values and goals which influence their relationships with others.

The success of the program indicates that student interests and needs are being met.

INDUSTRIAL ARTS DEPARTMENT

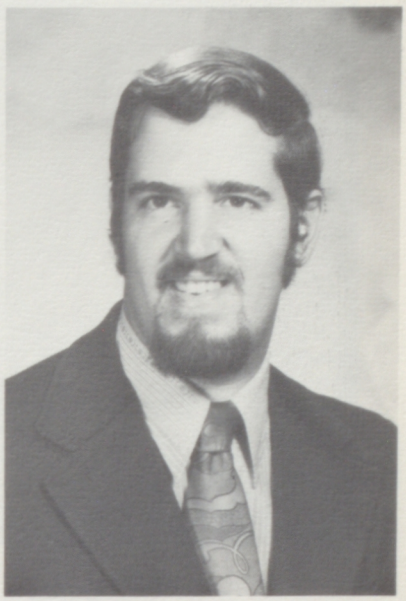

The program in Industrial Education offers students an opportunity to explore and become acclimated to modern industrial technique.

Occuptional skills, consumer knowledge and leisure time are an integral part of curriculum offerings.

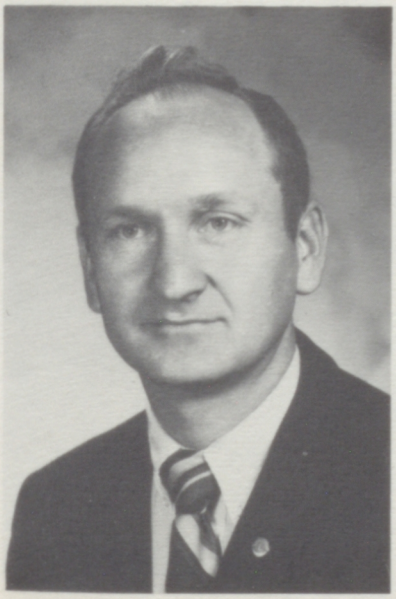

The courses include Home Mechanics, Power and Transportation, Electricity and Electronics, Industrial Pollution, Technical Drawing, Drawing, and Material Processing.

ART DEPARTMENT

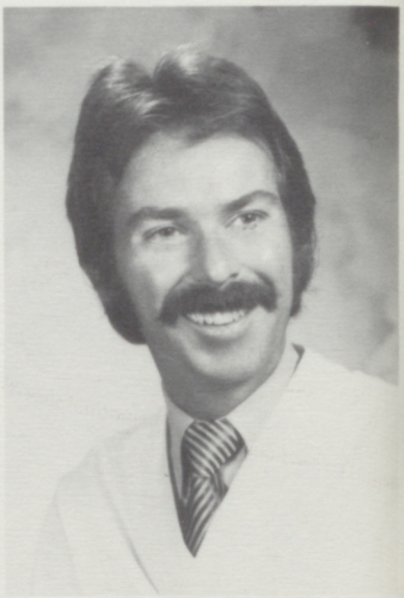

This was a dynamic year in the Art Department. More half year courses gave the opportunity for more students to exercise their creative abilities. Student art work was continuously on exhibit throughout our building from the library to the shop wing giving pleasure to the entire student body and staff. It's obvious that the Art Department at Enfield High School is developing the aesthetic expression of the individual in our contemporary mechanized society.

MUSIC DEPARTMENT

The Music Department at Enfield High School encompasses three areas of specialization: instrumental, classroom and vocal music.

The instrumental area, under the direction of Mr. Dana Hawes, includes the marching and concert bands, as well as a string ensemble and individual instrumental study. Several members of our band have continued their pursuit of a career on music, both in military musical organizations and in solo or group performances. We at Enfield High School could always depend upon our musicians to get us into the spirit of things, either at athletic events or during the holiday seasons.

The classroom curriculum is aimed to accommodate three different kinds of students: the general student, who may include the History of American Music (Music II) or Electronic Music in his studies; the college bound liberal arts and elementary education majors and the music minor, who would find the History of European Music and Counterpart (Music III) both necessary and helpful; and the advanced music major, who would study Advanced Music under the capable guidance of Mr. Leonard DeMaio.

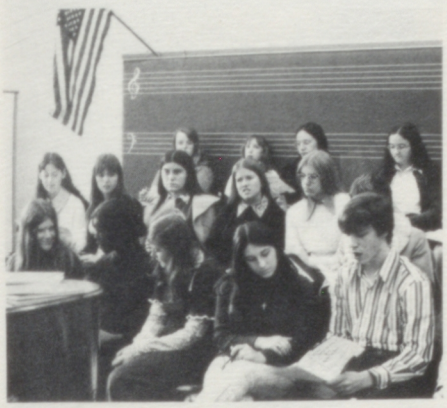

Mr. Rocco Autorino is the man in the director's chair when our mixed and select choruses take to the risers for a performance. Mr. Autorino, an accomplished vocalist in his own right, selects music from a wide span of numbers, ranging from early sacred music to contemporary folk numbers. The vocal class which he conducts helps the student gain confidence in his solo work, improve his vocal technique, and realize the potential of his own voice. Mr. Autorino also teaches the Senior Seminar "Music and Humanities" course and handles the general music curriculum.

The Music Department, which has been consistent in turning out fine music students with a college acceptance rate of 85%, has also received numerous awards and grants for its fine work. The Electronic and American Music courses have received government grants, and the latter had also been awarded a National Freedom Foundation Grant and the Downbeat Jazz Award. Compositions produced by alumni of our music department have performed at Trinity College, the University of Connecticut, on the National Educational Television network and at the National Music Teacher's Conference.

"All the sounds of the earth are like music."

PHYSICAL EDUCATION

The Physical Education Department of Enfield High School offers a wide variety of activities. These activities include many individual sports such as archery, tennis, handball, paddleball, gymnastics, and track and field events. It also offers such team games as speedball, volleyball, softball, soccer and field hockey.

It is a main objective of the department to provide a wide background of activities than can be enjoyed after a student leaves Enfield High. The program also includes such intramural programs as flag football, basketball, handball, volleyball, softball, track and field, and tennis.

This year the Physical Education Department has initiated a selective program for Juniors and Seniors. With this idea, students have a choice of selecting activities which interest them in the area of team or individual sports.

DRIVER EDUCATION

The Enfield High School driver and traffic safety department contributes its resources to introducing young people to the highway transportation system. Preparing its students to be informed and active supporters of sound traffic safety programs are the major goals of the department. Although driver and traffic safety education is only one force that influences operator behavior, it is probably one of the most powerful influences. The course, although it cannot change student's "style of life," it can change his "style of driving."

The 1972-73 football team of Enfield High School, coached by Joseph Lamana, provided its many loyal fans with a grade of football that many had not seen in a long while. The excitement of the first Fermi game and a couple of spectacular victories will long be remembered.

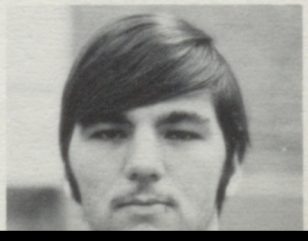

Pre-season predictors didn't give Enfield much of a chance to do any damage. The loss of many valuable seniors, inexperience and a tough schedule in the C.D.C. were factors that many considered the team could not overcome.

The first three games of the season seemed to bear out exactly what many had predicted. The offense never seemed to get going and the defensive play was inconsistent. The result was three disappointing losses. What many didn't realize was that it was just a matter of time before the team acquired the experience and confidence it needed to win.

The team put it all together against Hartford Public in their fourth game of the season. They held a Hartford team that was ranked third in the state for three and a half quarters before letting the game slip away. There was no victory to show for their performance, but it was clear that this team was on its way up.

Enfield finally got on the winning track against Bulkeley, two weeks later, playing an almost perfect game and winning 12-0. Then to prove that this game was no fluke they went out and beat Fitch High School the next Saturday by a convincing score of 31-6. A loss followed this game, at the hands of Weaver High. Enfield fought and scrapped on a muddy Weaver field but ended up on the short end, 40-18. The team didn't have to hang its head low after this loss though, for they had managed to score 18 points against a team which had held its opponents scoreless in three previous games while scoring over a hundred.

Enfield went back to its winning ways against Northwest Catholic the following week posting a 18-13 victory. This set the stage for the first meeting with Fermi.

The Fermi game was played on a frozen field with an overflowing crowd on hand at Enfield High School. The tension that filled the air was almost unbelievable. Shortly before game time the team learned it had been made a 6 point underdog by the local newspaper. This just helped to prepare Enfield even more. Enfield took a 6-0 lead into half-time. Enfield poured it on in the second-half scoring 17 more points. It was a perfect game and had to be one of the sweetest victories Enfield has ever had.

With the season over the team looked back. Their year had been divided into three parts. The first four games, the middle four games, and the final game with Fermi. After losing the first four games Enfield set a goal of winning the last five. They missed this goal by one game, that being Weaver. So though their record was 4-5, which doesn't really sound that good, the 1973 Team was able to look back and call the season a successful one because of the fact that they didn't quit. Enfield came back strong and determined to beat Fermi. They accomplished this goal by teamwork.

The Enfield Raiders 1972 Soccer Team, with twelve seniors playing their last season of a successful varsity career, enjoyed an exciting and bitter-sweet year. The Raider booters finished with a rather disappointing 5-6-2 record, missing by just one game a berth in the state tournament. Two of the losses were by two goals, the other four by one, in a schedule which included seven tournament teams.

From the outset of the season, Enfield Coach Bill Teed expressed confidence in his seniors: Dave Anderson, Stan Carpe, Paul Dumond, Rick Francolini, Bob King, Jim Lapointe, Jim Lynch, Jime Peterson, George Salazar, Bruce Torrant, Bill Walsh, and Marty Wright. Coach Teed said it was perhaps the best group of seniors he's had at EHS.

The first two games were an indication of the strength of this 1972 entry. The first contest saw Cathedral, twice and currently Massachusettes' state champions, invade Raiderland, only to be held by a stingy defense to a 2-2 tie. Next, in one of the three or four best games of the season, a late score gave Class B State Champions Windsor Locks a hard-fought victory over the Raiders. In Bloomfield a three-goal second half fell short of the tournament-bound Warhawks. A disappointing loss to Windham followed.

Coach Bill Teed

Then a three game win streak came, with wins over Bulkeley, East Hartford, and Penney, in which the mighty Raiders outscored these team 11-0. This was followed by another of the finest games; the Fermi game in which the Raiders took 36 shots on goal and completely dominated the match. After two overtimes, the outcome was a 0-0 tie.

The Raiders then fell victim to three consecutive one-goal defeats at the hands of the Hartford teams. These losses ruined the post-season chances for Enfield.

Two bright spots followed. First a 3-0 thrashing of East Hartford occurred on a grey Saturday morning. The following Monday saw the most exciting and rewarding victory over highly touted Newington. The Raider seniors played their hearts out in an awesome display of power, scoring three fourth-quarter goals to enjoy the final sweet moment in victory.

The Girls' Field Hockey season ended with a winning streak. It was earned by our consistent, as well as long and vigorous, practices. We had a tight schedule with two and sometimes three games a week, but our aggressive offense and non-yielding defense gave us a more than respectable record of five wins, five losses, and two ties.

VARSITY BASKETBALL

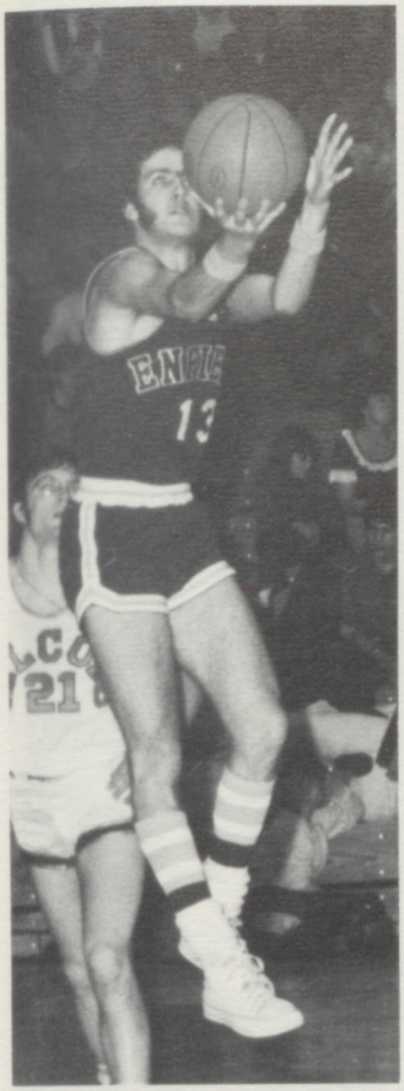

At the beginning of the '72-'73 basketball season hopes were high for all the followers of the Enfield hoop squad. It was evident that the team had more talent than the school had seen in many a year with four returning starters. Without a doubt the individual talent was there, but now it was time to see if these individual cogs would mesh and become a precise, devastating machine.

For a while it seemed that the season would never get under way as two of the first three games were cancelled because of inclement weather. Finally, however, Enfield traveled to Rockville for its opening tilt only to be thwarted in a disappointing, though hard fought, loss. The ill-fated quintet lost in their next outing also. But now they were home against a quite powerful East Hartford team. Enfield was not to be denied this night as they gave the home fans what they wanted, an opening victory.

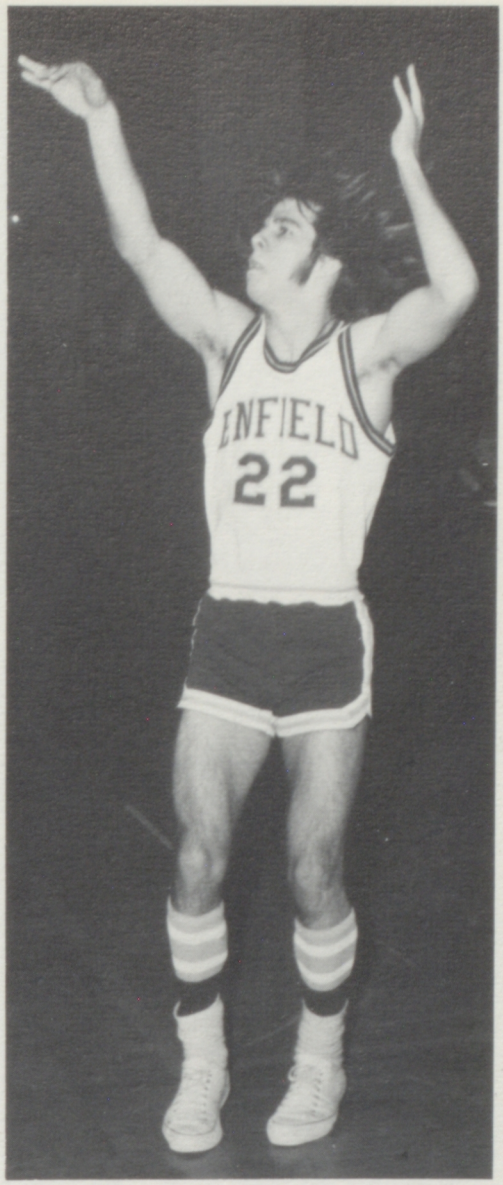

In the first half of the season Enfield played the rougher teams in its schedule, teams that were out of its division, these being Fitch, Norwich, and New Britain, and came out with a 3-7 record. The horizon looked promising, however, as schools closer to the size of Enfield were entering into the picture. And promising it should have been as the Raiders looked like a completely different ball club reversing their record to 7-3 for the second half and qualifying for the state tournament after their second to the last contest.

The Enfield squad had four fine seniors who saw quite a bit of action and contributed much to the Green Machine's successful season. The seniors were Sean Reilly, Ray Mancuso, and Co-captains Steve Binette and Pete White. Also the team had one of the finest junior groups it had seen for a long while in Paul DaSilva, Tim Murphy, Jay Kurmaski, Jeff Thomas, Ray Boucher, Mike Shirley, and Paul Uricchio. Rounding out the Enfield squad were four promising sophomores: Jim Hayden, Steve Magora, Rich Morris, and Peter King.

Also, some mention should be made about the cross-town rivalry between the Raiders and Fermi Falcons. The games were really no contest this year as the Raiders won both by lopsided scores.

The season's record, 11-8 for Varsity, and 6-1 for Junior Varsity, was the rewarding result of long and strenuous hours of practice for the Girls' Basketball Team. Although the team was composed exclusively of juniors and sophomores, their hard work and unexhausting team spirit, combined with experience and natural skill, resulted in their many victories.

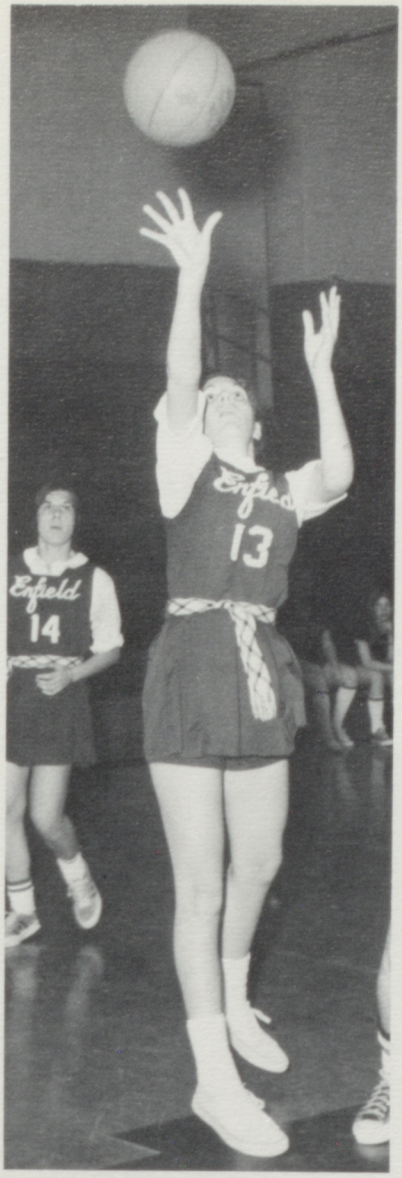

Mrs. Bromage, with her untiring efforts, was an inspiring and expert coach, as much a part of the team as the girls themselves.

The juniors were Jeanne Pazik, Kate Mullen, Linda Crouse, Gail Marks, Marilyn Cardone, Nancy Beauregard, Patty Marcotte, Liz Beaupre, Anne Mullen, Debbie Yahne and Marti Palmer. Sophomores included Patty Tracey, Michelle Turgeon, Mary Dunagin, Sandy Bailey, and Vicki Burrington.

Mrs. Bromage and the team were helped tremendously by their Scorekeeper Cathy Silva, Timer Val Butanis, and Managers Donna Zucchi and Colleen Sullivan.

The girls took first place in the Penney Girls' Invitational Basketball Tournament, defeating Penney for the title. The team is looking forward to another winning season next year.

THE ENFIELD HIGH SCHOOL 1972-1973 SWIM TEAM: front row, left to right: Mark Stears, butterfly manager; Sam Thompson, breaststroke; Bill Snow, freestyle; John Carollo, diver; Phil Pouech, freestyle; Mark Thorstenson, freestyle; Russell Miller, breaststroke; Jeff Folger, butterfly; and Mr. William Teed, Coach. Middle row: Bob Callahan, breaststroke; Mark Henley, freestyle; Fred Fisher, backstroke; Mark Folsom, freestyle; Ed Fetko, backstroke; and Marcel Dubois, breaststroke. Back row: Bill Hayes, breaststroke; Nick Ucello, diver; Curt Richard, diver; Paul Vitkauskas, backstroke; Michael Cooney, backstroke; and Jim Sessa, freestyle.

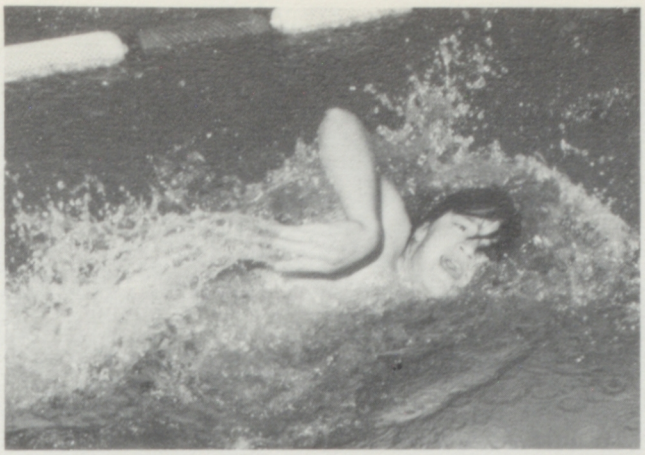

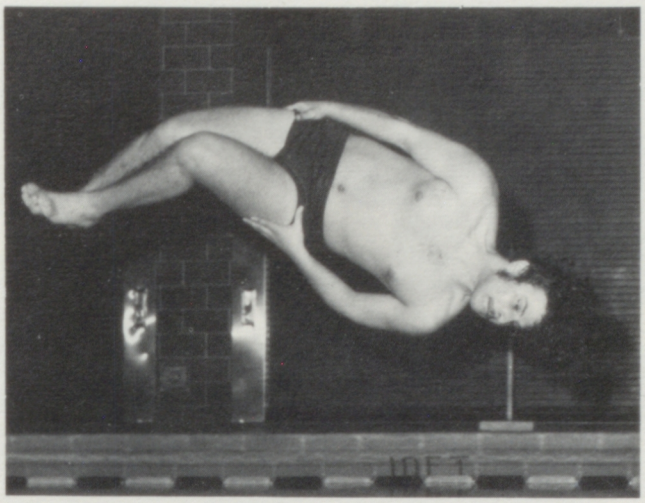

The 1972-1973 Enfield High School Swim Team had a record of one win and five losses, not bad for a team in its first year and without a pool. The team consists of sixteen sophomores, three seniors, and one junior. Since there were mostly sophomores, they had to swim against mixed competition, that is Varsity and Junior Varsity teams. For their first year they weren't worried about winning, but just improving their times, which they accomplished. They competed with mostly the top swimming schools in the state and each meet their times were improved.

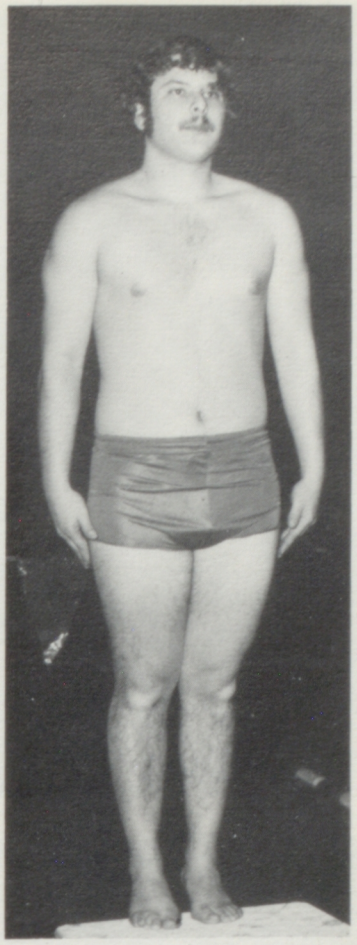

Out of all the swimmers there was one sophomore that was undefeated in the fifty yard freestyle and who also has qualified for the state tournament. This person is Bill Snow. We will be looking for him and the rest of the team in the state finals within the next two years.

Our first prom, justly named "Precious and Few," was held on the night of April 8, 1972. We were met at the door by our radiant host and hostess, Brian Gallant and Michele Roy. Since moments were "Precious and Few," we made the most of time, enjoying music by "Anthony's Quartet."

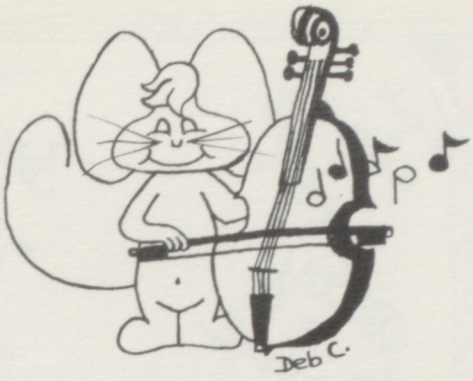

As the night wore on and our spirits rose, we took advantage of the dance floor at the Ramada Inn.

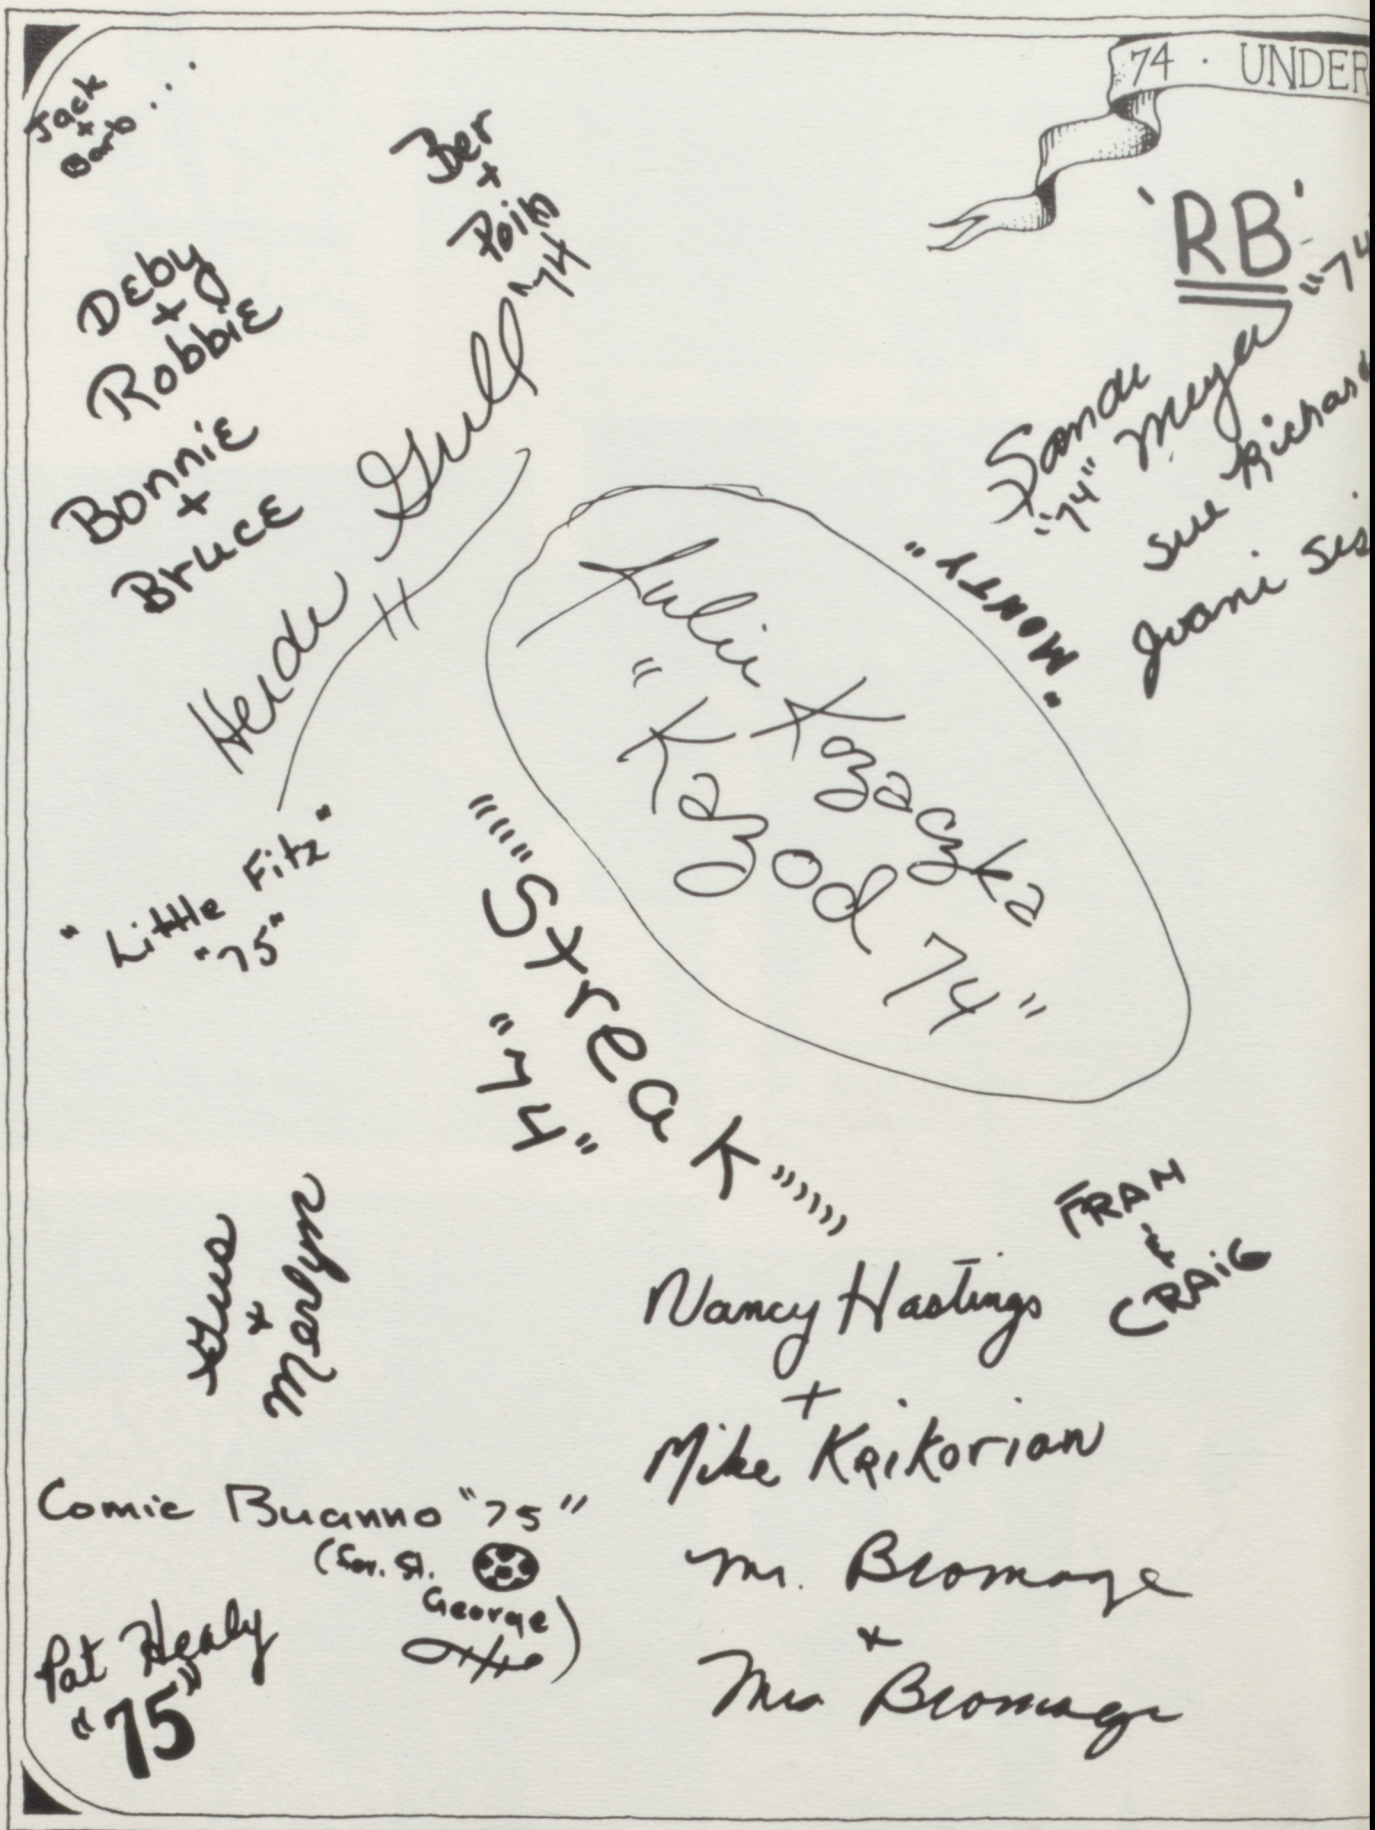

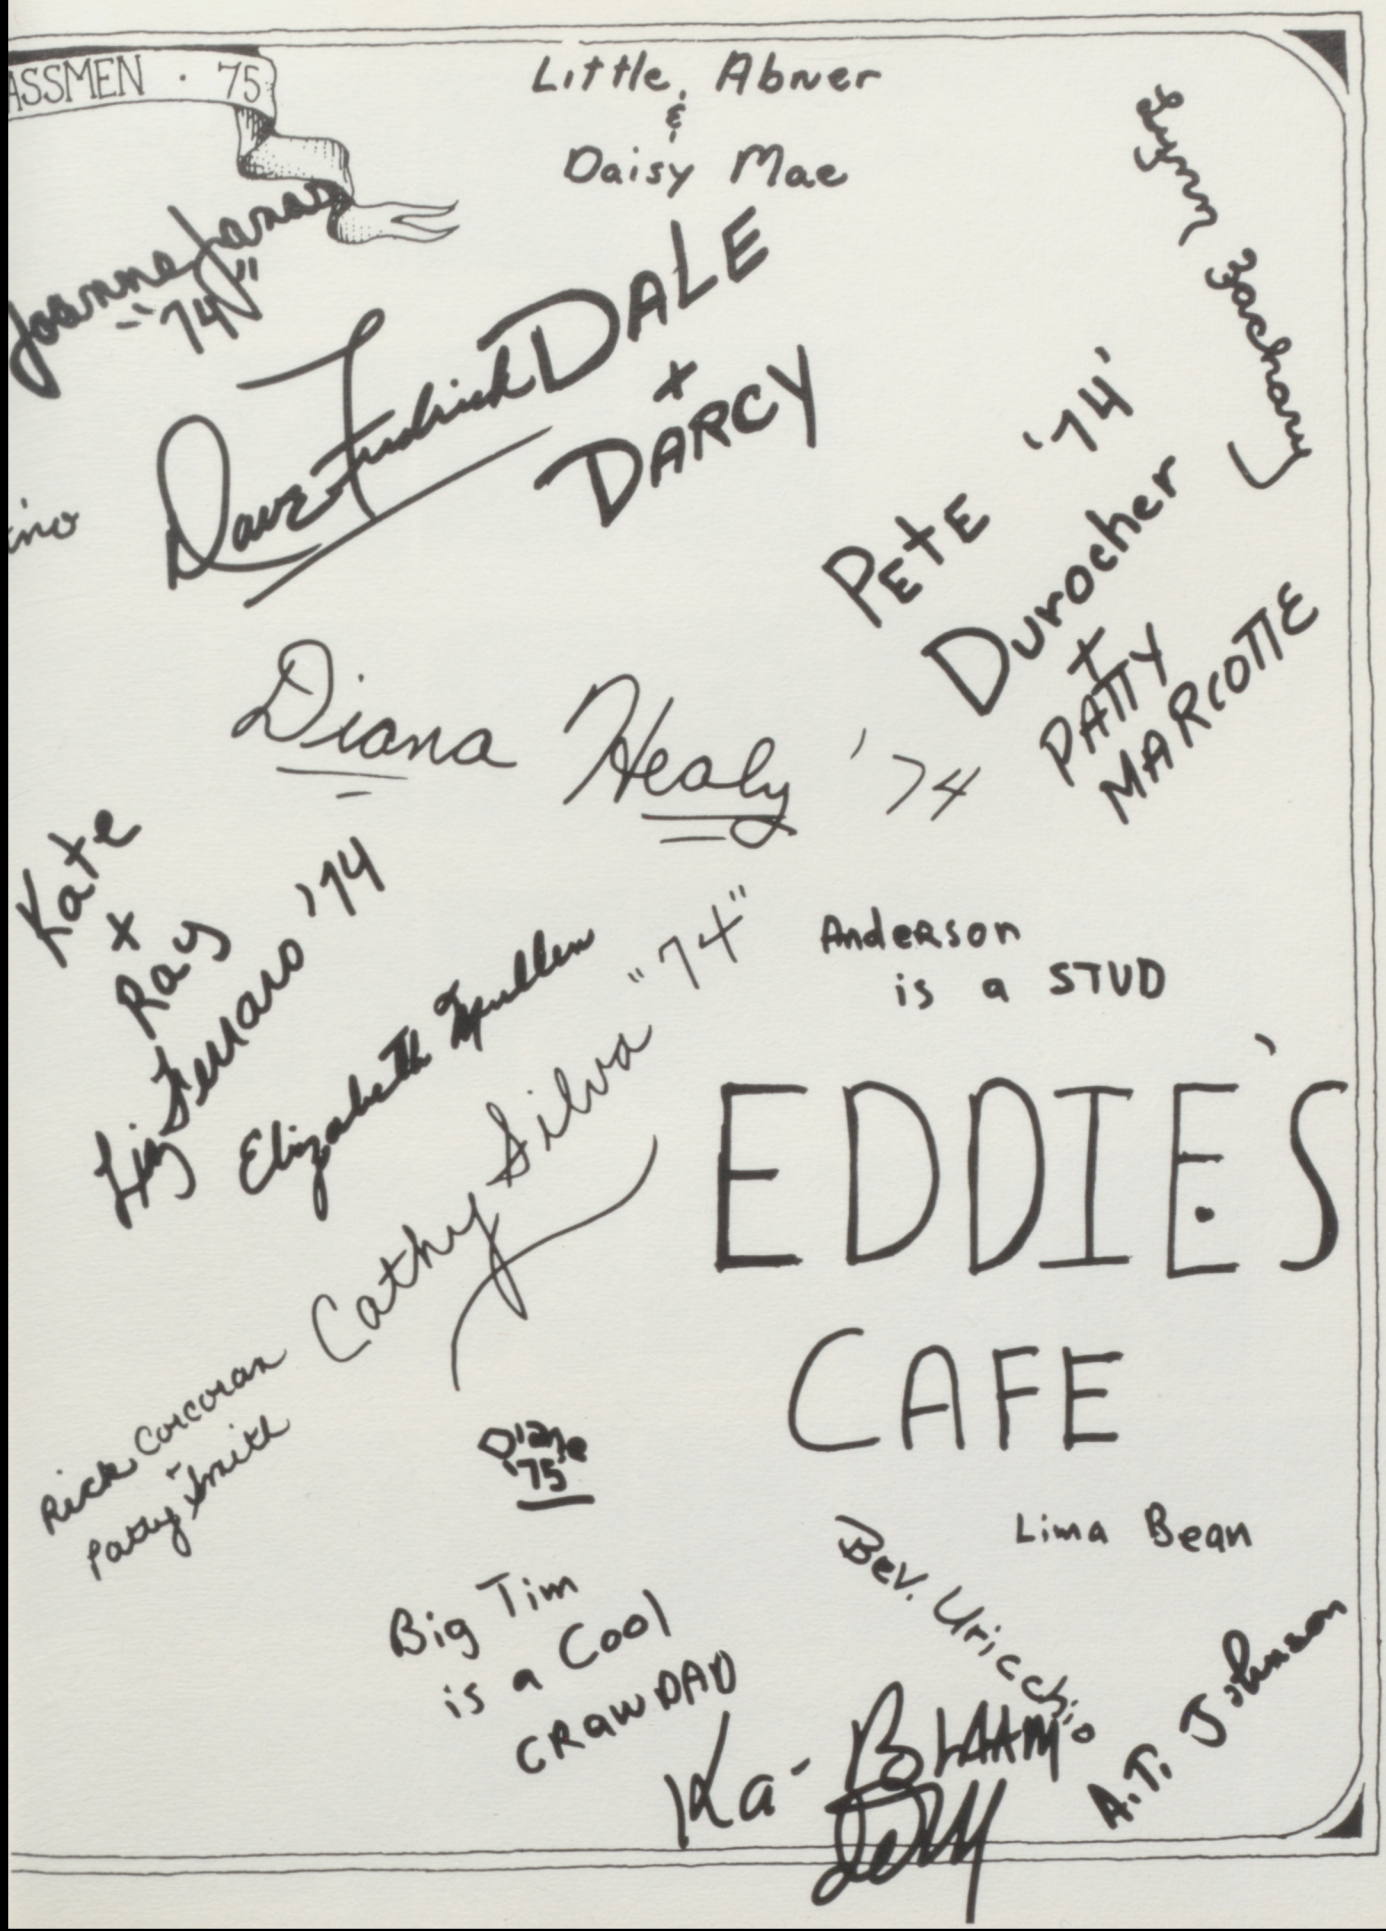

Feeling quite satisfied after our meal, we sat enjoying pleasant conversation with friends. The night of our first prom ended on a contented note.

SCOREKEEPERS

LIGHTS, CAMERA, ACTION!

"Another win, Guys"

"No, Bob, No"

"What do you mean Julie doesn't know it?"

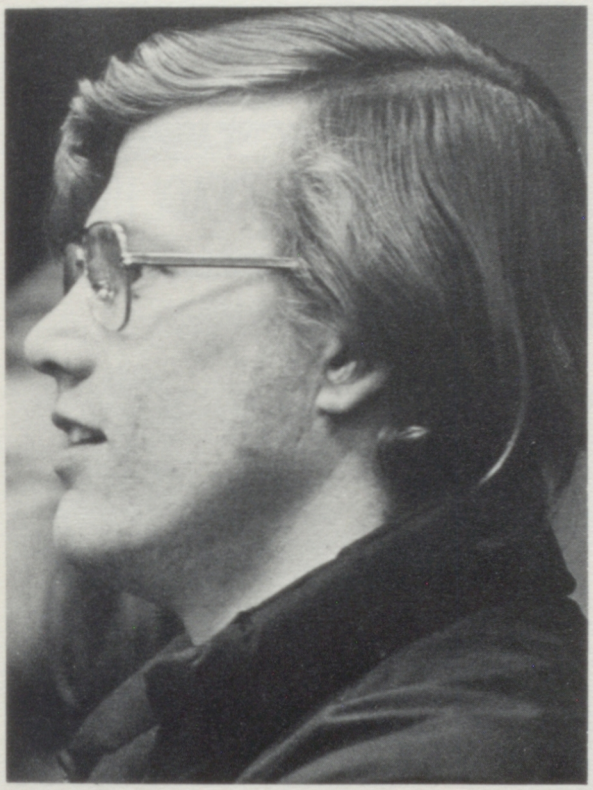

"This one's for Blair"

In February, Enfield High School competed in the Channel 22 quiz program, "As Schools Match Wits," for the third consecutive year. In the first game, taped February 6 and Televised March 3, Enfield defeated Northampton High School by a score of 210-160. The following week, Enfield was defeated by Suffield Academy.

From a field of 17 contestants, a team of four starting panelists and one alternate was chosen. Seniors participating were Bob King, Jim Lapointe, and alternate, John Gadarowski. Juniors were Bob Cummings and team captain Julie Kozaczka. The panel wishes to thank advisors Mr. John Talbot and Mr. William Fogarty, along with committee members Janet Giannotti and Maureen Sullivan, for their work with the team. Thanks are also due to the teachers who participated in practice games.

THE YEARBOOK STAFF

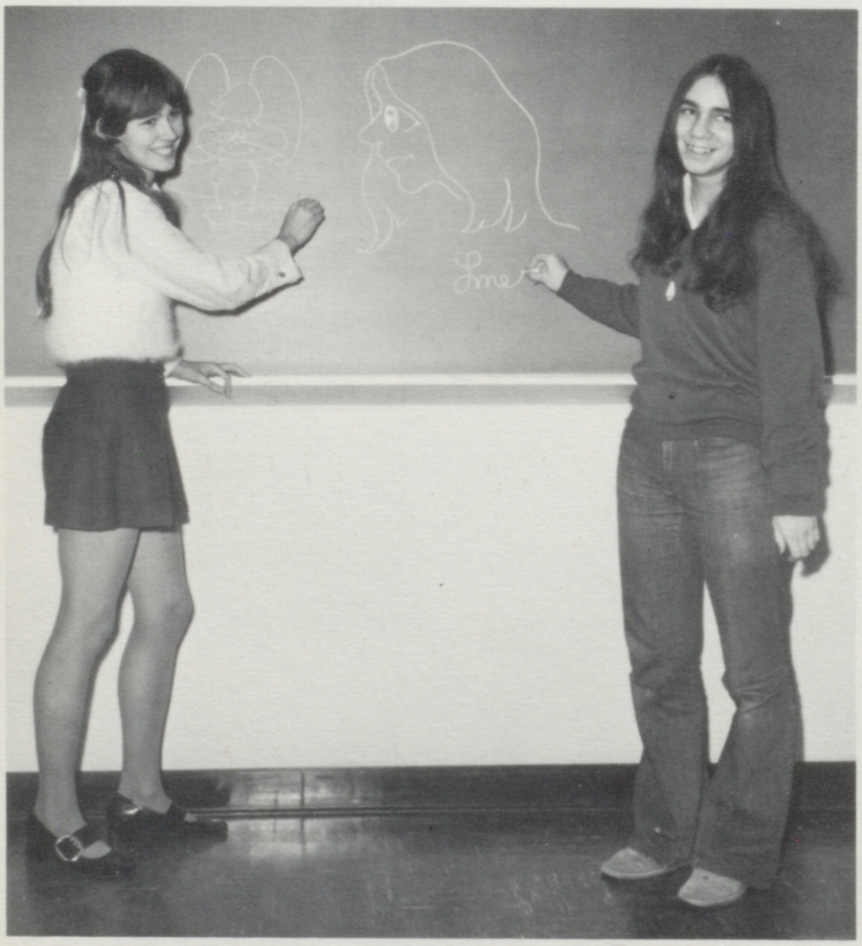

The yearbook staff, as our senior class, is composed of a variety of people. To make a good staff we realized we had to engage persons with contrasting backgrounds and opinions. This is the only way we would come out with a well-rounded yearbook.

So we have our leaders, workers, business managers, fund raisers, artists, writers . . . and we all work together.

ENFIELD—FERMI LAMPLIGHTERS

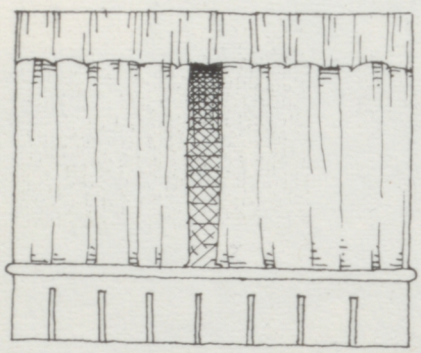

LAMPLIGHTERS

During the 1972-1973 season, many vistas had been opened to all members of the lamplighters. Combining with the Enrico Fermi High School Lamplighters, the Enfield High School had new facilities to get used to, but that was the least of the group's worries. The production of "Oklahoma!" was this year's undertaking, and with all the monstrous set construction, spastic dance movement, and herds of musical cues (as well as the usual staging and dialogues) that had to be coordinated, a definite challenge was realized. With genuine effort exemplified, fulfilled as the curtains parted opening night.
